***Book Entry***

The following information regarding DTC and Cede & Co. will be applicable to the Bonds as long as a book entry system is utilized. The Corporation does not assume any responsibility for the accuracy or completeness of the information set forth under this caption "Book Entry", and the Corporation is not required to supervise, and will not supervise, the operation of the book entry system described herein.

DTC is a limited purpose trust company organized under the laws of the State of New York, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended. DTC was created to hold securities of its participants (the "DTC Participants") and to facilitate the clearance and settlement of securities transactions among DTC Participants in such securities through electronic book-entry changes in accounts of the DTC Participants, thereby eliminating the need of physical movement of securities certificates. DTC Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations, some of whom (and/or their representatives) own DTC. Access to the DTC system is also available to others such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly (the "Indirect Participants").

Upon issuance of the Bonds, DTC Participants shall receive a credit balance in the records of DTC. ***The ownership interest of each actual purchaser of each Bond (the "Beneficial Owner") will be recorded through the records of the applicable DTC Participant.*** Beneficial Owners will receive a written confirmation of their purchase provided by the applicable DTC Participant, providing details of the Bonds acquired. Transfers of ownership interests in the Bonds ("Beneficial Ownership Interests") will be accomplished by book entries made by DTC and, in turn, by the DTC Participants who act on behalf of the Beneficial Owners. Beneficial Owners will **not** receive certificates representing their ownership interest in the Bonds, except as specifically provided in the Ordinance.

---

\*Preliminary, Subject to Permitted Adjustment.

The Corporation has no responsibility or liability for any aspects of the records relative to or payments made on account of beneficial ownership, or for maintaining, supervising or reviewing any records relating to beneficial ownership.

Principal, sinking fund, and interest payments on the Bonds will be made to DTC or its nominee, as registered owner of the Bonds. Upon receipt of moneys, DTC's current practice is to immediately credit the accounts of the DTC Participants in accordance with their respective holdings shown on the records of DTC. Payments by DTC Participants and Indirect Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is now the case with municipal securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such DTC Participant or Indirect Participant and not of DTC or the Agency, subject to any statutory and regulatory requirements as may be in effect from time to time.

A Beneficial Owner shall give notice to elect to have its Beneficial Ownership Interests purchased or tendered, through its DTC Participant, to the Paying Agent and Registrar, and shall effect delivery of such Beneficial Ownership Interests by causing the Direct Participant to transfer the DTC Participant's interest in the Beneficial Ownership Interests, on DTC's records, to the purchaser or the Paying Agent and Registrar, as appropriate. The requirements for physical delivery of Bonds in connection with a demand for purchase or a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records.

The Paying Agent and Registrar, so long as a book entry method is used for the Bonds, will send only to DTC any notice of redemption or other notices required to be sent to Bondholders. Any failure of DTC to advise any DTC Participant, or of any DTC Participant to notify the Beneficial Owner, of any such notice and its content or effect will not affect the validity of the redemption of the Bonds called for redemption or of any other action premised on such notice.

Conveyance of notices and other communications by DTC to DTC Participants, by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory and regulatory requirements as may be in effect from time to time.

The Corporation and the Paying Agent and Registrar cannot and do not represent or give any assurances that DTC, the DTC Participants or Indirect Participants or others will distribute payments of debt service charges on the Bonds paid to DTC or its nominee, as the registered owner, or any redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis, or that DTC will serve and act in the manner described in this Official Statement.

#### ***Optional Redemption Provision***

The Bonds maturing on and after February 1, 2020, are subject to redemption prior to their stated maturities on any date falling on or after February 1, 2019, in whole, or from time to time, in part, in any order of maturities (less than all of a single maturity to be selected by lot), at the option of the Corporation upon terms or the face amount, plus accrued interest, but without redemption premium.

#### ***Security***

A Contract, Lease and Option (the "Lease"), between the Corporation and the Harlan Independent School District Board of Education (the "Board") requires the Board to pay annual rentals in an amount sufficient to pay the principal of and interest on the Bonds as same become due and payable. The initial period of the Lease begins on February 5, 2009, and expires on June 30, 2009, and thereafter, the Board has an exclusive option to renew the Lease from year to year for one year periods until the final maturity of the Bonds on February 1, 2029. Under the terms of the Lease, the Board agrees to use and occupy the school buildings and, further, to provide for maintenance of the buildings and to insure said buildings against loss by fire, lightning, and windstorm and that the amount of such insurance shall at all times be the full insurable value of the buildings or the face amount of the Bonds outstanding, whichever is greater.

As further security for the Bonds, title to the site of the school Project is vested in the Corporation and is subject to a statutory mortgage lien in favor of the Registered Owners of the Bonds.

The Lease reserves to the Board the option to purchase the Project site upon payment on any interest due date of the then outstanding Bonds, plus interest thereon in accordance with the terms thereof.

### **ADDITIONAL PARITY BONDS FOR COMPLETION OF PROJECT**

The Corporation has reserved the right and privilege of issuing additional bonds from time to time payable from the income and revenues of said lands and school building Project and secured by the same statutory mortgage lien and pledge of revenues, but only if and to the extent the issuance of such additional parity bonds may be necessary to pay the costs, for which funds are not otherwise available, of completing the construction of said school building Project in accordance with the plans and specifications of the architect in charge of said Project, which plans have been completed, approved by the Board, Kentucky Department of Education, and filed in the office of the Secretary of the Corporation.

The Commission will enter into a Participation Agreement with the Board whereunder the Commission will agree to pay annually approximately 35.73% of the debt service requirements for the Bonds through February 1, 2029. The Resolution establishes the following funds:

**Harlan Independent School District Finance Corporation School Building Revenue Bond and Interest Redemption Fund of February 5, 2009 (the "Bond Fund").** -- The Corporation covenants that all amounts received as rentals pursuant to the terms of the Contract, Lease and Option shall be deposited into the Bond Fund and held apart from all other funds for the payment of the principal of and interest on the Bonds as same become due. The required annual payments due from the Board shall be made in semi-annual installments on or before each July 15 and January 15, the first such payment to be made on or before July 15, 2009.

Moneys held in the Bond Fund shall be invested at the direction of the Corporation in (i) securities of the United States Government; (ii) obligations fully guaranteed by the United States, having a maturity date prior to the date when the sums invested will be needed for meeting interest and principal payments; or (iii) in certificates of time deposit maturing as and when required to pay principal and interest. Such certificates of time deposit shall be secured by a valid pledge of United States Government securities to the extent same exceed FDIC coverage. All income from the investment of the Bond Fund shall be deposited into said Bond Fund and may be used as a credit to any future deposit required to be made by the Board into said Bond Fund.

**Harlan Independent School District Finance Corporation Series of 2009 School Construction Fund (the "Construction Fund").** -- Proceeds of the Bonds, after payment of the costs of issuance and deposit of accrued interest received in the Bond Fund, shall be deposited into the Construction Fund for the payment, exclusively, of the costs of the school construction projects described herein. Payments from the Construction Fund shall be made by check signed by the Treasurer of the Corporation upon approval of the Board. Each check shall have attached a voucher, signed by the Architect having supervision of the construction, stating that the labor and/or materials for which the payment is being made have been, in fact, received and utilized on the site of the projects. Such a voucher is not required for checks which reimburse the Board for advance payments made prior to the receipt of bond proceeds.

### ***Contract, Lease and Option***

The Board covenants to faithfully and punctually perform all duties required by the Lease including providing for the maintenance and insurance of the school properties.

The Corporation further agrees to collect such rents and charges for services rendered by the school Project properties as will be sufficient to pay the principal of and interest on the Bonds when same become due.

### ***Statutory Mortgage Lien Created***

The Resolution recognizes the statutory mortgage lien upon the school Project property which are granted and created by Section 162.200 of the Kentucky Revised Statutes. Said lien is and shall be restricted in its applications to the facilities, the costs of financing of which are defrayed from the proceeds of the Bonds, together with appurtenances, equipment therein, that portion of the school site physically occupied thereby, and such easements and rights-of-way for ingress, egress, and the rendering of services thereto as may be necessary for the proper use and maintenance of the same.

The right is reserved to erect or construct upon the school site described in the Resolution other structures and improvements free and clear of said statutory mortgage lien, even though the same are connected by using as party walls one or more walls of structures which are subject to said mortgage lien, providing the same are capable of use as separate entities in themselves and have their own outside entrances and providing no part of the costs of said additional structures and improvements are paid from the proceeds of these Bonds.

### ***Arbitrage Provisions***

The Corporation shall at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Corporation on the Bonds shall, for the purpose of Federal income taxation, be excludable from the gross income of the recipients under any valid provision of law.

The Corporation shall not permit at any time any of the proceeds of the Bonds or other funds of the Corporation to be used to acquire any securities or obligations the acquisition of which would cause any such Bond to be an "arbitrage bond", as defined in the Internal Revenue Code of 1986, as amended (the "Code"), unless, under any valid provision of law hereafter enacted, the interest paid by the Corporation on the Bonds shall be excludable from the gross income of a recipient thereof for Federal income tax purposes without regard to compliance with the Code.

### ***Resolution to Constitute a Contract***

The provisions of the Resolution shall constitute a contract between the Corporation and the Registered Owners of any Bonds from time to time outstanding and, after the sale of such Bonds, no change in the provisions of the Resolution shall be permitted while any of said Bonds remain outstanding and unpaid, except as expressly authorized in the Resolution.

### ***Other Covenants***

The Corporation binds and obligates itself not to sell, mortgage, or in any manner dispose of the school Projects property, including any and all extensions and additions that may be made thereto, except as specifically permitted and provided by the Resolution until all of the Bonds shall have been paid in full.

## **CERTAIN PROVISIONS OF THE CONTRACT, LEASE AND OPTION**

The following summarizes certain provisions of the Lease pursuant to which the Corporation leases the school building properties to the Board. Reference is made to the Lease for a full and complete statement of its provisions.

### ***Lease to the Board***

The Corporation agrees to lease the Project to the Board and the Board agrees to lease the Project from the Corporation from year to year commencing on February 5, 2009.

The initial term of the Lease shall expire on June 30, 2009; provided, however, that the Lease shall be automatically renewed from year to year for one-year terms unless terminated by the Board upon written notice to the Corporation ninety days before the end of the fiscal year.

### ***Amount and Due Date of Rentals***

The amount of the annual rentals to be paid by the Board shall be a sum equal to the interest which will be due on August 1, together with the Bonds and interest which will be due on February 1 during the rental year, plus the costs of operation, maintenance and insurance.

### ***Conveyance upon Retirement of Bonds***

It is agreed that if the Board shall pay rentals from year to year until the first day of February, 2029, then upon completion of such payments the leased premises shall be and become the property of the Board.

### ***Options to Purchase***

It is hereby further agreed that the Board may purchase the Project and thereby terminate the Lease on any date by the payment of a sum sufficient to accomplish the retirement or defeasance of the outstanding Bonds issued by the Corporation.

### ***Maintenance and Insurance***

The Board agrees that so long as the Board continues to lease the school Project it will, at its own expense, maintain the Project in good state of repair and will procure and pay the cost of insurance on all buildings located thereon against loss by fire, lightning, and windstorm in an amount equal to the full insurable value of the Project or the face amount of the Bonds outstanding, whichever is greater.

## **KENTUCKY DEPARTMENT OF EDUCATION SUPERVISION**

According to a report furnished by the Kentucky Department of Education, under the terms of the Kentucky Revised Statutes and the regulations of the Kentucky Board of Education (the "State Board"), the State Board, by itself and through its executive officer, the Commissioner of Education (the "Commissioner"), supervises the general operations of the local boards of education and school building revenue bond financing for school purposes. The Commissioner examines and advises on the expenditures, business methods and accounts of all local boards of education, including the Board. The Commissioner is responsible for assuring that all financial and educational accounts are accurately and neatly kept, and that all reports are made according to the forms adopted by the State Board. Each school district supported in whole or in part from taxation is required to make a report to the State Board at the close of each scholastic year, showing in detail all funds received from the Commonwealth and from all other sources during the year, and a detailed statement of all expenditures for the year.

Each local board of education must prepare and submit to the Commissioner an annual budget showing the amount needed for current expenses, capital outlay, debt service and lease rental payments for the ensuing year, the estimated amount to be received from other sources, and the amount needed to be raised from local taxation, including the assessed valuation and tax rate for property subject to taxation by the school district. If the budget is disapproved, it must be amended and resubmitted. No budget is effective until approved by the Commissioner.

Each local school board must prepare and submit to the State Board, not later than January 15 of each year, a close estimate of its working budget which must conform to the rules and regulations prescribed by the State Board, and which must be consistent in its major divisions with the general school budget previously prepared.

A local superintendent may not recommend and a local school board member may not vote for an expenditure in excess of the income and revenue of any year as shown by the budget approved by the Commissioner, except for a purpose for which bonds have been voted, or in case of an emergency declared by the State Board.

All local boards of education who have entered into contracts with respect to the issuance of revenue bonds must arrange for insurance protection in an amount equal to the amount of bonds outstanding against the particular building or buildings, or to the full insurable value of such building or buildings, whichever is greater, and must report annually to the Superintendent, on forms provided by the Department of Education, the amount of insurance coverage provided for each building which has been mortgaged for the security of outstanding revenue bonds.

The State Department of Education must approve a bond issue and its related financial, educational and construction plans prior to issuance and such approval will be obtained prior to the sale of this issue.

## STATE SUPPORT OF EDUCATION

The 1990 Regular Session of the General Assembly of the Commonwealth enacted a comprehensive legislative package known as the Kentucky Education Reform Act ("KERA") designed to comply with the mandate of the Kentucky Supreme Court that the General Assembly provide for an efficient and equitable system of schools throughout the State.

KERA became fully effective on July 13, 1990. Elementary and Secondary Education in the Commonwealth is supervised by the Commissioner of Education as the Chief Executive Officer of the State Department of Education ("DOE"), and appointee of the reconstituted Kentucky Board of Education (the "State Board"). Some salient features of KERA are as follows:

KRS 157.330 establishes the fund to Support Education Excellence in Kentucky ("SEEK") funded from biennial appropriations from the General Assembly for distribution to school districts. The base funding guaranteed to each school district by SEEK for operating and capital expenditures is determined in each fiscal year by dividing the total annual SEEK appropriation by the state-wide total of pupils in average daily attendance ("ADA") in the preceding fiscal year; the ADA for each district is subject to adjustment to reflect the number of at risk students (approved for free lunch programs under state and federal guidelines), number and types of exceptional children, and transportation costs.

KRS 157.420 establishes a formula which results in the allocation of funds for capital expenditures in school districts at \$100 per ADA pupil of the SEEK allotment which is required to be segregated into a Capital Outlay Allotment Fund which may be used only for (1) direct payment of construction costs; (2) debt service on voted and funding bonds; (3) lease rental payments in support of bond issues; (4) reduction of deficits resulting from over-expenditures for emergency capital construction; and (5) a reserve for each of the categories enumerated in 1 through 4 above.

KRS 160.470(12)(a) requires that effective for fiscal years beginning July 1, 1990 each school district shall levy a minimum equivalent tax rate of \$0.30 for general school purposes. The equivalent tax rate is defined as the rate which results when the income collected during the prior year from all taxes levied by the district (including utilities gross receipts license and special voted) for school purposes is divided by the total assessed value of property, plus the assessment for motor vehicles certified by the Revenue Cabinet of the Commonwealth. Any school district board of education which fails to comply with the minimum equivalent tax rate levy shall be subject to removal from office.

KRS 157.440(2) provides that for fiscal years beginning July 1, 1990 each school district may levy an equivalent tax rate which will produce up to 15% of those revenues guaranteed by the SEEK program. Any increase beyond the 4% annual limitation imposed by KRS 132.017 ("House Bill 44") is not subject to the recall provisions of that Section. Revenue generated by the 15% levy is to be equalized at 150% of the state-wide average per pupil equalized assessment.

KRS 157.440(2) permits school districts to levy up to 30% of the revenue guaranteed by the SEEK program, plus the revenue produced by the 15% levy, but said additional tax will not be equalized with state funds and will be subject to recall by a simple majority of those voting on the question.

KRS 157.620(1) also provides that in order to be eligible for participation from the Kentucky School Facilities Construction Commission for debt service on bond issues the district must levy a tax which will produce revenues equivalent to \$0.05 per \$100 of the total assessed value of all property in the district (including tangible and intangible property and motor vehicles). A district having a special voted tax which is equal to or higher than the required \$0.05 tax, must commit and segregate for capital purposes at least an amount equal to the required \$0.05 tax. Those districts which levy the additional \$0.05 tax are also eligible for participation in the Facilities Support Program of Kentucky ("FSPK") program for which funds are appropriated separately from SEEK funds and are distributed to districts in accordance with a formula taking into account outstanding debt and funds available for payment from both local and state sources.

KRS 160.460 provides that as of July 1, 1994 all real property located in the Commonwealth subject to local taxation shall be assessed at 100% of fair cash value.

## CONTINUING DISCLOSURE

As a result of the Board and issuing agencies acting on behalf of the Board having outstanding at the time the Bonds referred to herein are offered for public sale municipal securities in excess of \$1,000,000 but less than \$10,000,000, the Corporation and the Board will enter into a written agreement for the benefit of all parties who may become Registered or Beneficial Owners of the Bonds whereunder said Corporation and Board will agree to comply with the provisions of the Municipal Securities Disclosure Rules set forth in Securities and Exchange Commission Rule 15c2-12.

Financial information regarding the Board may be obtained from Superintendent, Harlan Independent School District Board of Education, 420 E. Central Street, Harlan, Kentucky 40831 Telephone 606-573-8700.

## **TAX EXEMPTION; BANK QUALIFIED**

With regard to the Internal Revenue Code of 1986, as amended, Bond Counsel advises as follows:

- (A) The Bonds and the interest thereon are exempt from income and ad valorem taxation by the Commonwealth of Kentucky and all of its political subdivisions.
- (B) The interest income from the Bonds is excludable from the gross income of the recipients thereof for Federal income tax purposes under existing law; provided, that the corporate entities noted below are advised of certain tax consequences as follows:
  - 1) In the computation of the corporate minimum tax, earnings and profits may include otherwise tax-exempt interest on the Bonds; this provision applies to corporations only.
  - 2) Property and casualty insurance companies may be denied certain loss reserve deductions to the extent of otherwise tax-exempt interest on the Bonds.
- (C) As a result of designations and certifications by the Board and the Corporation, indicating the issuance of less than \$10,000,000 of "qualified tax-exempt obligations" during the calendar year ending December 31, 2009, the Bonds may be treated by financial institutions as if they were acquired before August 8, 1986.
- (D) The interest income from the Bonds is excludable from the gross income of the recipients thereof for Federal income tax purposes under existing law for individuals; however, said income must be included in the calculation of "modified adjusted gross income" in the determination of whether and to what extent Social Security benefits are subject to Federal income taxation.

***Utilities Gross Receipts Tax For Schools***

Under the provisions of KRS 160.613, 160.615, and 160.617, the Harlan Independent Board of Education levies a three percent Utility Gross Receipts License Tax for Schools. Receipts from the tax are as follows:

| <u>2009 (est.)</u> | <u>2008</u> | <u>2007</u> | <u>2006</u> |
|--------------------|-------------|-------------|-------------|
| \$200,000          | \$228,136   | \$220,517   | \$208,559   |

*Funds Available for Debt Service*

Beginning with fiscal year 1990-91, capital expenditures in school districts are provided by the segregation of \$100 per ADA pupil from the SEEK funds allotment to each district. Expenditures from the Capital Outlay Allotment Fund may be used, up to a maximum of eighty percent (80%) of the annual allotment, for (1) direct payment of construction costs; (2) debt service on voted and funding bonds; (3) lease rental payments in support of bond issues; (4) reduction of deficits resulting from over-expenditures for emergency capital construction; and (5) a reserve for each of the categories enumerated in (1) through (4).

In addition to the Capital Outlay Allotment Fund as described above, each district is required to levy a tax which will produce revenues equivalent to five cents (\$0.05) per \$100 of assessed value of all property in the district in order to be eligible for participation from the Kentucky School Facilities Construction Commission. Tax receipts MUST be used for purposes enumerated in (1) through (5) above.

Those districts which levy the additional \$0.05 tax are also eligible to receive funds from the Facilities Support Program of Kentucky (the "FSPK"). These funds are appropriated separately from the SEEK funds and are distributed to districts in accordance with a formula taking into account outstanding debt and funds available for payment from both local and state sources. FSPK funds MAY be used for purposes enumerated in (1) through (5) above.

The funds available for Capital Outlay purposes, as described above, are not directly pledged for payment of principal and interest on outstanding school building revenue bonds, but as a practical matter and to the extent needed, have been and will continue to be applied to debt service through rental payments on Lease obligations.

## General Information

In the heart of the Appalachian Coal Fields, Harlan, Kentucky, county seat of Harlan County, is steeped in coal mining history. *Continuing Disclosure Agreement*

## **CONTINUING DISCLOSURE AGREEMENT**

This Continuing Disclosure Agreement ("Agreement") made and entered into as of the 5<sup>th</sup> day of February, 2009 by and between the Board of Education of the Harlan Independent School District ("Board"); the Harlan Independent School District Finance Corporation, an agency and instrumentality of the Board ("Corporation") and the Registered and Beneficial Owners of the Bonds hereinafter identified as third party beneficiaries to this Agreement. For the purposes of this Agreement "Beneficial Owner" means the person or entity treated as the owner of the Bonds for federal income tax purposes and "Registered Owner" means the person or entity named on the registration books of the bond registrar.

The Board has never failed under previous written agreements to comply in all material respects with any previous undertaking with regard to the Rule to provide required financial reports or notices of material events.

### **WITNESSETH:**

WHEREAS, the Corporation has acted as issuing agency for the Board pursuant to the provisions of Section 162.385 of the Kentucky Revised Statutes ("KRS") and the Corporation's Bond Resolution in connection with the authorization, sale and delivery of \$1,330,000 of the Corporation's School Building Revenue Bonds, Series of 2009, dated February 5, 2009 ("Bonds"), which Bonds were offered for sale under the terms and conditions of a Final Official Statement ("FOS") prepared by First Kentucky Securities Corporation, Frankfort, Kentucky ("Financial Advisor") and approved by the authorized representatives of the Board and the Corporation, and

WHEREAS, the Securities and Exchange Commission ("SEC"), pursuant to the Securities and Exchange Act of 1934, has amended the provisions of SEC Rule 15c2-12 relating to financial disclosures by the issuers of municipal securities under certain circumstances ("Rule"), and

WHEREAS, it is intended by the parties to this Agreement that all terms utilized herein shall have the same meanings as defined by the Rule, and

WHEREAS, the Board is an "obligated person" as defined by the Rule and subject to the provisions of said Rule, and

WHEREAS, failure by the Board and the Corporation to observe the requirements of the Rule will inhibit the subsequent negotiation, transfer and exchange of the Bonds with a resulting diminution in the market value thereof to the detriment of the Registered and Beneficial Owners of said Bonds and the Board;

NOW, THEREFORE, in order to comply with the provisions of the Rule and in consideration of the purchase of the Bonds by the Registered and Beneficial Owners, the parties hereto agree as follows:

### **1. ANNUAL FINANCIAL INFORMATION.**

The Board agrees to provide the annual financial information contemplated by Rule 15c2-12(d)(2) relating to the Board for its fiscal years ending June 30 as follows:

(A) Upon request to any person or at least annually to the appropriate State Information Depository ("SID"), if any, financial information or operating data regarding the Board for which financial information or operating data is presented in the FOS, as specified in the undertaking, which financial information and operating data shall include, at a minimum, that financial information and operating data which is customarily prepared by the Board and is publicly available; and

(B) In a timely manner, to each Nationally Recognized Municipal Securities Information Repository ("NRMSIRS") or to the Municipal Securities Rulemaking Board ("MSRB"), and to the appropriate SID, if any, notice of events specified in Section 15c12(b)(5)(i)(C) of the Rule with respect to the Bonds.

For the purposes of the Rule "annual financial information" means financial information and operating data provided annually, of the type included in the FOS with respect to the Board in accordance with guidelines established by the National Federation of Municipal Analysts, and shall include annual audited financial statements for the Board in order that the recipients will be provided with ongoing information regarding revenues and operating expenses of the Board.

The annual financial information shall be prepared in accordance with Generally Accepted Accounting Principles or in accordance with the appropriate sections of KRS or Kentucky Administrative Regulations.

The parties hereto agree that this Agreement is entered into among them for the benefit of those who become Registered and Beneficial Owners of the Bonds as third party beneficiaries to said Agreement.

Under the Rule, Section 15c2-12(b)(5)(i)(C), the following eleven (11) events must be disclosed to the Nationally Recognized Municipal Securities Information Repositories ("NRMSIRS") or to the SID, if any, and the Municipal Securities Rule Making Board ("MSRB"):

## **6. DURATION OF THE AGREEMENT.**

This Agreement shall be in effect so long as any of the Bonds remain outstanding and unpaid; provided, however, that the right is reserved in the Board to delegate its responsibilities under the Agreement to a competent agent or trustee, or to adjust the format of the presentation of annual financial information so long as the intent and purpose of the Rule to present adequate and accurate financial information regarding the Board is served.

## **7. AMENDMENT; WAIVER**

Notwithstanding any other provision of this Agreement, the Board may amend this Agreement, and any provision of this Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Section 1, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the holders of the Bonds in the same manner as provided in the Bond Resolution for amendments to the Bond Resolution with the consent of the holders of the Bonds, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Registered Owners or Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of this Agreement, the Board shall describe such amendment or waiver in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Board. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a material event under Section 15c2-12(b)(5)(i)(c) of the Rule, and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

## **8. DEFAULT**

In the event of a failure of the Board to comply with any provision of this Agreement, the Corporation may and, at the request of any Underwriter or any Registered Owners or Beneficial Owner of Bonds, shall take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Board to comply with its obligations under this Agreement. A default under this Agreement shall not be deemed an Event of Default under the Bond Resolution, and the sole remedy under this Agreement in the event of any failure of the Board to comply with this Agreement shall be an action to compel performance.

In witness whereof the parties hereto have executed this Agreement as of the date first above written.

**HARLAN (KENTUCKY) INDEPENDENT  
SCHOOL DISTRICT FINANCE CORPORATION**

The Corporation has been formed in accordance with the provisions of Sections 162.120 through 162.290 and Section 162.385 of the Kentucky Revised Statutes ("KRS"), and KRS Chapter 273 and KRS 58.180, as a non-profit, non-stock corporation for the purpose of financing necessary school building facilities for and on behalf of the Board of Education of the Harlan Independent School District (the "Board"). Under the provisions of existing Kentucky law, the Corporation is permitted to act as an agency and instrumentality of the Board for financing purposes and the legality of the financing plan to be implemented by the Bonds herein referred to has been upheld by the Kentucky Court of Appeals (Supreme Court) in the case of White v. City of Middlesboro, Ky. 414 S.W.2d 569.

**STATUTORY AUTHORITY, PURPOSE OF ISSUE AND SECURITY**

These Bonds are authorized pursuant to KRS 162.120 through 162.290, 162.385, and KRS 58.180 and are issued in accordance with a Resolution of the Corporation's Board of Directors. Said Bonds are revenue bonds and constitute a limited indebtedness of the Corporation payable from rental revenues derived by the Corporation from the Board under the Lease identified below. Said Bonds are being issued to finance construction of a new Preschool Facility (the "Project") and are secured by a statutory mortgage lien upon and a pledge of the revenues from the rental of the school building to the Board under the Lease on a year to year basis; the first rental period ending June 30, 2009. The statutory mortgage lien securing the Bonds is limited in its application to the exact site of the Project constructed from the proceeds of the Bonds, real estate unoccupied by the Project is unencumbered. Should the Board default in its obligations under the Lease or fail to renew the Lease, the Registered Owners of Bonds have the right to have a receiver appointed to administer the Project under KRS 162.220; foreclosure and sale are not available as remedies.

The rental of the Project from the Corporation to the Board is to be effected under a certain Contract, Lease and Option by and between the Corporation and the Board (the "Lease"), whereunder the Project is leased to the Board for the initial period ending June 30, 2009, with an option in the Board to renew the Lease each year at rentals sufficient to provide for the principal and interest requirements on the Bonds as they become due, plus the costs of insurance, maintenance, depreciation, and bond issuance and administration expenses; the Board being legally obligated only for the initial rental period and for one year at a time thereafter each time the Lease is renewed.

Under the terms of the Lease, and any renewal thereof, the Board has agreed so long as the Bonds remain outstanding, and in conformance with the intent and purpose of Section 157.627(5) of the Act and KRS 160.160(5), in the event of a failure by the Board to pay the rentals due under the Lease, and unless sufficient funds have been transmitted to the Paying Agent, or will be so transmitted, for paying said rentals when due, the Board has granted under the terms of the Lease and Participation Agreement to the Corporation and the Commission the right to notify and request the Kentucky Department of Education to withhold from the Board a sufficient portion of any undisbursed funds then held, set aside, or allocated to the Board and to request said Department or Commissioner of Education to transfer the required amount thereof to the Paying Agent for the payment of such rentals.

Although the Board is obligated to pay the Corporation annual rentals in the full amount of the principal and interest requirements for the Bonds for each year in which the Lease is renewed, the Board has entered into the Lease in reliance upon a certain Participation Agreement by and between the Board and the Kentucky School Facilities Construction Commission (the "Commission"). Under the terms of the Participation Agreement, the Commission has agreed to pay annually directly to the Paying Agent for the Bonds a stated Agreed Participation equal to approximately 35.73% of the annual debt service requirements for the Bonds herein identified until their retirement, subject to the constitutional restrictions limiting the commitment to the biennium; said annual amount is to be applied only to the principal and interest requirements of the Bonds so long as the Board renews the Lease. Under the Lease, the Board has pledged and assigned all of its rights under the Participation Agreement in and to the Agreed Participation to the Corporation in order to secure the Bonds and has agreed to pay that portion of the rentals in excess of said Agreed Participation for each year in which the Lease is renewed.

**KENTUCKY SCHOOL FACILITIES CONSTRUCTION COMMISSION**

The Commission is an independent corporate agency and instrumentality of the Commonwealth of Kentucky established pursuant to the provisions of Sections 157.611 through 157.640 of the Kentucky Revised Statutes, as repealed, amended, and reenacted (the "Act") for the purpose of assisting local school districts in meeting the school construction needs of the Commonwealth in a manner in which will ensure an equitable distribution of funds based upon unmet need.

Pursuant to the provisions of the Act, the Regulations of the Kentucky Board of Education and the Commission, the Commission has determined that the Board is eligible for participation from the Commission in meeting the costs of construction of the Project and has entered into a Participation Agreement with the Board whereunder the Commission agrees to pay an annual Agreed Participation equal to approximately 35.73% of the annual debt service requirements for the Bonds herein identified each year until their retirement; provided, however, that the contractual commitment of the Commission to pay the annual Agreed Participation is limited to the biennial budget period of the Commonwealth, with the first such biennial period terminating on June 30, 2010; the right is reserved in the Commission to terminate its commitment to pay the Agreed Participation after the initial biennial period and every two years thereafter. The obligation of the Commission to make payments of the Agreed Participation shall be automatically renewed each two years for a period of two years unless the Commission shall give notice of its intention not to participate not less than sixty days prior to the end of the biennium; however, by the execution of the Participation Agreement, the Commission has expressed its present intention to continue to pay the Agreed Participation in each successive biennial budget period until the retirement of all of the Bonds, but such execution does not obligate the Commission to do so.

The 2008 Regular Session of the Kentucky General Assembly allocated the sum of \$10,968,000 to the Commission for debt service for new projects for the biennium ending June 30, 2010 in addition to the appropriation for existing obligations of the Commission.

**ADDITIONAL PARITY BONDS FOR COMPLETION OF PROJECT**

The Corporation has reserved the right and privilege of issuing additional bonds from time to time payable from the income and revenues of said lands and school building Project and secured by the same statutory mortgage lien and pledge of revenues, but only if and to the extent the issuance of such additional parity bonds may be necessary to pay the costs, for which funds are not otherwise available, of completing the construction of said school building Project in accordance with the plans and specifications of the architect in charge of said Project, which plans have been completed, approved by the Board, Commissioner of Education, and filed in the office of the Secretary of the Corporation.

**BOND MATURITIES, PRIOR REDEMPTION PROVISIONS AND PAYING AGENT**

All such Bonds shall be in denominations in multiples of \$5,000 within the same maturity, bear interest from February 5, 2009, payable on August 1, 2009, and semi-annually thereafter and shall mature as to principal on February 1 in each of the years thereafter as follows:

### STATE SUPPORT OF EDUCATION

The 1990 Regular Session of the General Assembly of the Commonwealth enacted a comprehensive legislative package known as the Kentucky Education Reform Act ("KERA") designed to comply with the mandate of the Kentucky Supreme Court that the General Assembly provide for as efficient and equitable system of schools throughout the State.

KERA became fully effective on July 13, 1990. Elementary and Secondary Education in the Commonwealth is supervised by the Commissioner of Education as the Chief Executive Officer of the State Department of Education ("DOE"), an appointee of the reconstituted State Board for Elementary and Secondary Education (the "State Board"). Some salient features of KERA are as follows:

KRS 157.330 establishes the fund to Support Education Excellence in Kentucky ("SEEK") funded from biennial appropriations from the General Assembly for distribution to school districts. The base funding guaranteed to each school district by SEEK for operating and capital expenditures is determined in each fiscal year by dividing the total annual SEEK appropriation by the state-wide total of pupils in average daily attendance ("ADA") in the preceding fiscal year; the ADA for each district is subject to adjustment to reflect the number of at risk students (approved for free lunch programs under state and federal guidelines), number and types of exceptional children, and transportation costs.

KRS 157.420 establishes a formula which results in the allocation of funds for capital expenditures in school districts at \$100 per ADA pupil which is included in the SEEK allotment (\$3,066) for the current biennium which is required to be segregated into a Capital Outlay Allotment Fund which may be used only for (1) direct payment of construction costs; (2) debt service on voted and funding bonds; (3) lease rental payments in support of bond issues; (4) reduction of deficits resulting from over expenditures for emergency capital construction; and (5) a reserve for each of the categories enumerated in 1 through 4 above.

KRS 160.470(12)(a) requires that effective for fiscal years beginning July 1, 1990 each school district shall levy a minimum equivalent tax rate of \$.30 for general school purposes. The equivalent tax rate is defined as the rate which results when the income collected during the prior year from all taxes levied by the district (including utilities gross receipts license and special voted) for school purposes is divided by the total assessed value of property, plus the assessment for motor vehicles certified by the Revenue Cabinet of the Commonwealth. Any school district board of education which fails to comply with the minimum equivalent tax rate levy shall be subject to removal from office.

KRS 160.470(12)(2) provides that for fiscal years beginning July 1, 1990 each school district may levy an equivalent tax rate which will produce up to 15% of those revenues guaranteed by the SEEK program. Any increase beyond the 4% annual limitation imposed by KRS 132.017 is not subject to the recall provisions of that Section. Revenue generated by the 15% levy is to be equalized at 150% of the state-wide average per pupil equalized assessment.

KRS 157.440(2) permits school districts to levy up to 30% of the revenue guaranteed by the SEEK program, plus the revenue produced by the 15% levy, but said additional tax will not be equalized with state funds and will be subject to recall by a simple majority of those voting on the question.

KRS 157.620(1) also provides that in order to be eligible for participation from the Kentucky School Facilities Construction Commission for debt service on bond issues the district must levy a tax which will produce revenues equivalent to \$.05 per \$100 of the total assessed value of all property in the district (including tangible and intangible property and motor vehicles) in addition to the minimum \$.30 levy required by KRS 160.470(12). A district having a special voted tax which is equal to or higher than the required \$.05 tax, must commit and segregate for capital purposes at least an amount equal to the required \$.05 tax. Those districts which levy the additional \$.05 tax are also eligible for participation in the Kentucky Facilities Support ("KFS") program for which funds are appropriated separately from SEEK funds and are distributed to districts in accordance with a formula taking into account outstanding debt and funds available for payment from both local and state sources under KRS 157.440(1)(b).

KRS 160.460 provides that as of July 1, 1994 all real property located in the Commonwealth subject to local taxation shall be assessed at 100% of fair cash value.

### **BIENNIAL BUDGET FOR 2008-2010**

On April 2, 2008 the House of Representatives and Senate of the 2008 Regular Session of the Kentucky General Assembly approved the Biennial Budget for the Commonwealth for 2008 – 2010. The Governor, who has line item veto power considered the Budget and made several changes. Both Houses of the General Assembly convened on April 14, 2008 and adopted the Biennial Budget on the last day of the Session the following day. The Governor signed the Budget into law on April 18, 2008.

### **CONTINUING DISCLOSURE**

As a result of the Board and agencies acting on behalf of the Board at the time the Bonds referred to herein are offered for public sale having outstanding municipal securities in excess of \$10,000,000, the Corporation and the Board will enter into a written agreement for the benefit of all parties who may become Owners of the Bonds whereunder said Board shall be obligated to (i) supply to the repositories designated under said Rule by the Municipal Securities Rule Making Board notice of any of the "material events" outlined in said Rule should same occur and (ii) supply financial information on an annual basis.

Financial information regarding the Board may be obtained from Superintendent, Harlan Independent School District Board of Education, 420 E. Central Street, Harlan, Kentucky 40831 Telephone 606-573-8700.

### **TAX EXEMPTION; BANK QUALIFIED**

Bond Counsel is of the opinion that the Bonds are "qualified tax-exempt obligations" within the meaning of the Internal Revenue Code of 1986, as amended, and therefore advises as follows:

(A) The Bonds and the interest thereon are exempt from income and ad valorem taxation by the Commonwealth of Kentucky and all of its political subdivisions.

(B) The interest income from the Bonds is excludable from the gross income of the recipient thereof for Federal income tax purposes under existing law; provided, that the corporate entities noted below are advised of certain tax consequences as follows:

(1) In the computation of the corporate minimum tax, earnings and profits may include otherwise tax-exempt interest on the Bonds; this provision applies to corporations only.

(2) Property and casualty insurance companies may be denied certain loss reserve deductions to the extent of otherwise tax-exempt interest on the Bonds.

(C) As a result of designations and certifications by the Board and the Corporation, indicating the issuance of less than \$10,000,000 of qualified tax-exempt obligations during the calendar year ending December 31, 2009, the Bonds may be treated by financial institutions as if they were acquired before August 8, 1986.

(D) The interest income from the Bonds is excludable from the gross income of the recipient thereof for Federal income tax purposes under existing law for individuals; however, said income must be included in the calculation of "modified adjusted gross income" in the determination of whether and to what extent Social Security benefits are subject to Federal income taxation.

## **BOOK-ENTRY-ONLY-SYSTEM**

The Bonds shall utilize the Book-Entry-Only-System administered by The Depository Trust Company ("DTC").

DTC will act as securities depository for the Bonds. The Bonds initially will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully-registered Bond Certificate will be issued, in the aggregate principal amount of the Bonds, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Participants") deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. "Direct Participants" include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks, and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Rules applicable to DTC and its participants are on file with the Securities and Exchange Commission.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participant's records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds ("Beneficial Ownership Interest") are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their Beneficial Ownership interests in Bonds, except in the event that use of the book-entry system for the Securities is discontinued. Transfers of ownership interest in the Securities are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of Bonds with DTC and their registration in the name of Cede & Co., effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners, will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to Cede & Co. If less than all of the Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each District Participant in the Bonds to be redeemed.

Neither DTC nor Cede & Co. will consent or vote with respect to Bonds. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments of the Bonds will be made to DTC. DTC's practice is to credit Direct Participants' account on payable date in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on payable date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC, the Issuer, or the Trustee, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the Issuer or the Trustee, disbursements of such payments to Direct Participants shall

be the responsibility of DTC, and disbursements of such payment to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Beneficial Ownership Interests purchased or tendered, through its Participant, to the Trustee, and shall effect delivery of such Beneficial Ownership Interests by causing the Direct Participant to transfer the Participant's interest in the Beneficial Ownership Interests, on DTC's records, to the purchaser or the Trustee, as appropriate. The requirements for physical delivery of Bonds in connection with a demand for purchase or a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the Issuer or the Bond Registrar. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered by the Bond Registrar.
