The summaries and references to Sections of the Kentucky Revised Statutes, the Bond Resolution, and the Contract, Lease and Option, as included in this Official Statement, do not purport to be comprehensive or definitive and are qualified in their entirety by reference to each such document.

Terms

The Bonds will be dated July 1, 2003 will bear interest payable December 1, 2003, and thereafter semiannually on each June 1 and December 1 at the rates established upon acceptance of a bid for said Bonds and, will mature on the dates and in the amounts set forth on the cover page.

Book Entry

The following information regarding DTC and Cede & Co. will be applicable to the Bonds as long as a book entry system is utilized. The Corporation does not assume any responsibility for the accuracy or completeness of the information set forth under this caption "Book Entry", and the Corporation is not required to supervise, and will not supervise, the operation of the book entry system described herein.

DTC is a limited purpose trust company organized under the laws of the State of New York, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended. DTC was created to hold securities of its participants (the "DTC Participants") and to facilitate the clearance and settlement of securities transactions among DTC Participants in such securities through electronic book-entry changes in accounts of the DTC Participants, thereby eliminating the need of physical movement of securities certificates. DTC Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations, some of whom (and/or their representatives) own DTC. Access to the DTC system is also available to others such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly (the "Indirect Participants").

Upon issuance of the Bonds, DTC Participants shall receive a credit balance in the records of DTC. ***The ownership interest of each actual purchaser of each Bond (the "Beneficial Owner") will be recorded through the records of the applicable DTC Participant.*** Beneficial Owners will receive a written confirmation of their purchase provided by the applicable DTC Participant, providing details of the Bonds acquired. Transfers of ownership interests in the Bonds ("Beneficial Ownership Interests") will be accomplished by book entries made by DTC and, in turn, by the DTC Participants who act on behalf of the Beneficial Owners. Beneficial Owners will **not** receive certificates representing their ownership interest in the Bonds, except as specifically provided in the Ordinance.

*Preliminary, Subject to Permitted Adjustment.

The Corporation has no responsibility or liability for any aspects of the records relative to or payments made on account of beneficial ownership, or for maintaining, supervising or reviewing any records relating to beneficial ownership.

Principal, sinking fund, and interest payments on the Bonds will be made to DTC or its nominee, as registered owner of the Bonds. Upon receipt of moneys, DTC's current practice is to immediately credit the accounts of the DTC Participants in accordance with their respective holdings shown on the records of DTC. Payments by DTC Participants and Indirect Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is now the case with municipal securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such DTC Participant or Indirect Participant and not of DTC or the Agency, subject to any statutory and regulatory requirements as may be in effect from time to time.

A Beneficial Owner shall give notice to elect to have its Beneficial Ownership Interests purchased or tendered, through its DTC Participant, to the Paying Agent and Registrar, and shall effect delivery of such Beneficial Ownership Interests by causing the Direct Participant to transfer the DTC Participant's interest in the Beneficial Ownership Interests, on DTC's records, to the purchaser or the Paying Agent and Registrar, as appropriate. The requirements for physical delivery of Bonds in connection with a demand for purchase or a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records.

The Paying Agent and Registrar, so long as a book entry method is used for the Bonds, will send only to DTC any notice of redemption or other notices required to be sent to Bondholders. Any failure of DTC to advise any DTC Participant, or of any DTC Participant to notify the Beneficial Owner, of any such notice and its content or effect will not affect the validity of the redemption of the Bonds called for redemption or of any other action premised on such notice.

Conveyance of notices and other communications by DTC to DTC Participants, by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory and regulatory requirements as may be in effect from time to time.

The Corporation and the Paying Agent and Registrar cannot and do not represent or give any assurances that DTC, the DTC Participants or Indirect Participants or others will distribute payments of debt service charges on the Bonds paid to DTC or its nominee, as the registered owner, or any redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis, or that DTC will serve and act in the manner described in this Official Statement.

Optional Redemption Provision

The Bonds are not subject to optional redemption prior to their stated maturities.

Authority and Purpose; Refinancing Plan

The Refunding Bonds are being issued under and in full compliance with the Constitution and Statutes of the Commonwealth of Kentucky, including Sections 162.120 through 162.300, 162.385, and Section 58.180 of the Kentucky Revised Statutes, within the meaning of the decision of the Court of Appeals of Kentucky (Supreme Court) in the case of Hemlepp v. Aromberg, 369 S.W.2d 121, for the purpose of providing funds to redeem and retire all the Corporation's School Building Revenue Bonds, Series of 1993, dated December 1, 1993 (the "Prior Bonds" or the "Prior Issue" or "Defeased Bonds"). The Prior Bonds were issued by the Corporation for the purpose of financing the construction of a new high school (the "Project").

The 1993 Bonds maturing on December 1 in each of the years 2003 through 2015 in the aggregate principal amount of \$2,570,000 and the interest thereon and required redemption premium (the "Defeased 1993 Bonds") shall be provided for by the deposit of sufficient funds in the 2003 Escrow Fund from the proceeds of the Refunding Bonds. The Defeased 1993 Bonds shall be redeemed prior to their stated maturities on December 1, 2003.

Sufficient proceeds of the Refunding Bonds will be deposited in a special 2003 Escrow Fund and invested in U.S. Government Obligations, or Certificates of Deposit of FDIC banks fully collateralized by said Obligations, so that said proceeds, plus the investment income therefrom, will be sufficient to (i) provide for the payment of the interest and principal requirements coming due on the Defeased Bonds scheduled to come due December 1, 2003 and the prior redemption of the Defeased Bonds on December 1, 2003; (ii) the redemption prior to maturity of \$2,460,000 of said Defeased Bonds maturing December 1, 2004 and thereafter on December 1, 2003; and (iii) a redemption premium of \$49,200 (2%) for said Defeased Bonds maturing December 1, 2004 and thereafter.

Security for Refunding Bonds

The Bonds of the Prior Issue were issued under the authority of KRS Section 162.120 through 162.300 and 162.385 (the "School Bond Act") for the purpose of providing funds for the construction of a high school (the "Project"). Under the terms of the Prior Bond Resolution authorizing the Prior Issue, those Bonds are payable from the income and revenues of the Project financed from the proceeds thereof. The Bonds of the Prior Issue are secured by a statutory mortgage lien upon and a pledge of revenue from the rental of the Project to the Board under a Contract, Lease and Option, dated December 1, 1993, (the "Prior Lease").

The principal amount of the 1993 Prior Issue outstanding as of July 1, 2003 is \$2,570,000, scheduled to mature on December 1, in each of the years 2003 through 2015.

The Corporation and the Board have entered into a Contract, Lease and Option, dated as of July 1, 2003 (the "2003 Lease"). The Refunding Bonds are secured by a statutory mortgage lien on the Project leased to the Board under the 2003 Lease and by a pledge of the rental revenues derived under the 2003 Lease.

Under the 2003 Lease, the Board has leased the Project securing the Refunding Bonds in accordance with the provisions of KRS 162.140 for an initial period from July 1, 2003 through June 30, 2004, with the option in the Board to renew said 2003 Lease from year to year for one year at a time, at annual rentals, sufficient in each year to enable the Corporation to pay, solely from the rentals due under the 2003 Lease, the principal and interest on all of the Refunding Bonds as same become due.

In addition, the 2003 Lease provides that the Prior Lease will be canceled as to all of the Defeased 1993 Bonds effective upon the deposit in the 2003 Escrow Fund of sufficient funds to provide for the retirement of the Defeased 1993 Bonds. The 2003 Lease provides further that so long as the Board exercises its annual renewal options, its rentals will be payable according to the terms and provisions of the 2003 Lease until December 1, 2015, the final maturity date of the Refunding Bonds, and such annual rentals shall be deposited as received in the Bond Fund for the Refunding Bonds and used and applied for the payment of all maturing principal of and interest on the Refunding Bonds.

Under the terms of the 2003 Bond Resolution, the Prior Lease and the 2003 Lease, the statutory mortgage lien securing the Refunding Bonds which are created and granted pursuant to KRS 162.200 upon the school Project is and shall be restricted in its application to the exact locations of said school Project and to such easements and rights of way for ingress, egress and the rendering of services thereto as may be necessary for the proper use and maintenance of said school buildings, the right being reserved to erect or construct upon any land not occupied by the school Project other independently financed school buildings, free and clear of said statutory mortgage lien, which other independently financed school buildings, may not have a party wall with and adjoin said school buildings constituting the Project, provided no part of the cost of said other independently financed school buildings is paid from the proceeds of the sale of the Refunding Bonds.

KENTUCKY SCHOOL FACILITIES CONSTRUCTION COMMISSION

The Commission ("SFCC") is an independent corporate agency and instrumentality of the Commonwealth of Kentucky established pursuant to the provisions of Sections 157.611 through 157.640 of the Kentucky Revised Statutes, as amended (the "Act") for the purpose of assisting local school districts in meeting the school construction needs of the Commonwealth in a manner which will ensure an equitable distribution of funds based upon unmet need.

Pursuant to the provisions of the Act and the Regulations of the Kentucky Board of Education and the Commission, the Commission has determined that the Board continues to be eligible for participation from the Commission in meeting the costs of refinancing the Project and has entered into a Participation Agreement with the Board whereunder the Commission agrees to continue to pay annually approximately 5% of the debt service requirements of the Bonds to be applied only to the payment of the principal and interest requirements on the Bonds; provided, however, that the contractual commitment of the Commission to pay the annual Agreed Participation is limited to the biennial budget period of the Commonwealth, with the first such biennial period terminating June 30, 2004; the right is reserved in the Commission to terminate the commitment to pay the Agreed Participation every two years thereafter. The obligation of the Commission to make payments of the Agreed Participation shall be automatically renewed each two years for a period of two years unless the Commission shall give notice of its intention not to participate not less than sixty days prior to the end of the biennium; however, by the execution of the Participation Agreement, the Commission has expressed its present intention to continue to pay the Agreed Participation in each successive biennial budget period until September 1, 2014, but such execution does not obligate the Commission to do so.

ADOPTION OF STATE BUDGET; LITIGATION

The General Assembly is required by the Kentucky Constitution to adopt measures providing for the State's revenues and appropriations for each fiscal year. The Governor is required by law to submit a biennial State Budget (the "State Budget") to the General Assembly of the Commonwealth during the legislative session held in each even numbered year. State Budgets have generally been adopted by the General Assembly during those legislative sessions, which end in mid-April, to be effective for a two-year period commencing on the following July 1.

The Governor submitted a proposed State Budget, for the two-year period that begins July 1, 2002, during the regularly scheduled legislative session that began in January 2002. The regular legislative session of the General Assembly adjourned on April 15, 2002 without adoption of a State Budget. Upon conclusion of the Regular Session, the Governor called a Special Session for the sole purpose of adopting a State Budget. This special legislative session also adjourned without adoption of a State Budget.

Since a State Budget was not enacted by July 1, 2002, based upon advice received from the Attorney General of Kentucky, the Governor authorized state expenditures by executive order.

On March 10, 2003 the 2003 Regular Session of the Kentucky General Assembly enacted a biennial state Budget for the fiscal years 2002-2004 by a vote of 36-1 in the Senate and 87-7 in the House of Representatives. The Budget has now become legally effective.

It would appear that litigation regarding the Budget initiated by the Kentucky State Treasurer and subsequently joined by the President of the Senate and a private citizen, pro se, has become moot.

Nevertheless, the separate suit filed in Franklin Circuit Court by sixteen students and their parents from eight South Central Kentucky School Districts as a class action naming the Governor, the President of the Senate, the Speaker of the House and the General Assembly of Kentucky as Defendants and seeking to have the Court (a) declare Kentucky's educational funding system unconstitutional; (b) mandate the adoption of a Budget by the General Assembly implementing school funding on an equal basis among school districts adequate to provide proper education; and (c) provide for monitoring the implementation of a new school funding system, remains subject to judicial determination.

GALLATIN COUNTY (KENTUCKY) SCHOOL DISTRICT FINANCE CORPORATION

The Corporation has been formed in accordance with the provisions of Section 162.120 through 162.300 and 162.385 of the Kentucky Revised Statutes ("KRS"), and KRS Chapter 273 and KRS 58.180, as a non-profit, non-stock corporation for the purpose of financing necessary school facilities for and on behalf of the Board of Education of the Gallatin County School District (the "Board"). Under the provisions of existing Kentucky law, the Corporation is permitted to act as an agency and instrumentality of the Board for financing purposes.

The Board of Directors of the Corporation is made up of the incumbent members of the Board of Education.

THE REFUNDING PLAN

The Bonds are being issued to refund all school building revenue bonds originally issued by the Gallatin County (Kentucky) School District Finance Corporation designated as the Series of December 1, 1993 (the "Prior Bonds"). Under the refunding plan, all the maturities (the "Refunded Bonds") of the Prior Bonds, as described below will be subject to the refunding.

The total principal amount of the Prior Bonds outstanding as of July 1, 2003 is \$2,570,000, scheduled to mature on December 1 in each of the years 2003 through 2015.

The Corporation will issue Bonds in an amount sufficient (1) to fund an escrow composed of United States government Obligations or Certificates of Deposit of FDIC banks fully collateralized by said Obligations that will produce sufficient receipts to pay the principal and interest requirements due and payable on the Refunded Bonds until the maturity or redemption date and to redeem the Refunded Bonds on the redemption date at the premium specified below, all as set out in the following table, and (2) to pay the costs of issuance of and the purchaser discount on the Bonds.

Next, the accrued interest received, if any, shall be deposited into the "Gallatin County School District Finance Corporation School Building Refunding Revenue Bond and Interest Redemption Fund of July 1, 2003" (the "Bond Fund") to be held therein for payment of interest on the Bonds at the next ensuing interest due date.

The entire remaining proceeds of the Bonds shall be deposited into "Gallatin County School District Finance Corporation Escrow Fund of 2003" (the "Escrow Fund") to be earmarked and held for credit to the account of the Prior Bond Fund.

CERTAIN PROVISIONS OF THE BOND RESOLUTION

The Bond Resolution contains various covenants of the Corporation and provisions for the payment of the Bonds in accordance with their terms, certain of which are summarized below. Reference is made to the Bond Resolution for a full and complete statement of its provisions.

The Corporation has authorized the issuance of its Gallatin County School District Finance Corporation School Building Refunding Revenue Bonds, Series of 2003, in an aggregate amount of \$2,735,000*. The Bonds are fully registered and in denominations in multiples of \$5,000. The Bonds bear interest payable on December 1 and June 1 in each year, beginning December 1, 2003, at such interest rate or rates as a result of an advertised sale of Bonds and competitive bidding therefor. Said Bonds shall mature on the dates and in the amounts set forth on the cover page.

Paying Agent and Registrar

Bank One, NA, Lexington, Kentucky, has been named Paying Agent and Bond Registrar. Interest and principal payments will be made by the Paying Agent by wire transfer to DTC on each due date. Please see "Book Entry" supra.

Funds Established by the Resolution

The Resolution establishes the following funds:

Gallatin County School District Finance Corporation School Building Refunding Revenue Bond and Interest Redemption Fund of July 1, 2003 (the "Bond Fund"). -- The Corporation covenants that all amounts received as rentals pursuant to the terms of the Contract, Lease and Option shall be deposited into the Bond Fund and held apart from all other funds for the payment of the principal of and interest on the Bonds as same become due. The required annual payments due from the Board shall be made in semi-annual installments on or before each November 15 and May 15, the first such payment to be made on or before November 15, 2003.

Moneys held in the Bond Fund shall be invested at the direction of the Corporation in (i) securities of the United States Government; (ii) obligations fully guaranteed by the United States, having a maturity date prior to the date when the sums invested will be needed for meeting interest and principal payments; or (iii) in certificates of time deposit maturing as and when required to pay principal and interest. Such certificates of time deposit shall be secured by a valid pledge of United States Government securities to the extent same exceed FDIC coverage. All income from the investment of the Bond Fund shall be deposited into said Bond Fund and may be used as a credit to any future deposit required to be made by the Board into said Bond Fund.

Gallatin County School District Finance Corporation School Building Escrow Fund of 2003 (the "Escrow Fund"). -- Proceeds of the Bonds, after payment of the costs of issuance and deposit of accrued interest received in the Bond Fund, shall be deposited into the Escrow Fund; provided, however, that prior to or simultaneously with the delivery of the Bonds, the Corporation shall obtain a commitment or commitments for the investment of such remaining proceeds only in direct Obligations of the United States Government or Obligations which are fully guaranteed by the United States Government or Certificates of Deposit of FDIC banks fully collateralized by said Obligations (the "Investments") sufficient to accomplish the purposes intended, which Investments shall be scheduled to mature at such times and in such amounts as are necessary to pay the principal of, interest on, and redemption premium for the Refunded Bonds prior to their stated maturities by deposit in the respective sinking fund for said Refunded Bonds (the "Prior Bond Fund").

Contract, Lease and Option

The Board covenants to faithfully and punctually perform all duties required by the Lease including providing for the maintenance and insurance of the school properties.

The Corporation further agrees to collect such rents and charges for services rendered by the school Project properties as will be sufficient to pay the principal of and interest on the Bonds when same become due.

Statutory Mortgage Lien Created

The Resolution recognizes the statutory mortgage lien upon the school Project properties which are granted and created by Section 162.200 of the Kentucky Revised Statutes. Please see "Statutory Authority, Purpose of Issue and Security" herein on page 3. Said lien is and shall be restricted in its application to the facilities, the costs of refinancing of which are defrayed from the proceeds of the Bonds, together with appurtenances, equipment therein, that portion of the school site physically occupied thereby, and such easements and rights-of-way for ingress, egress, and the rendering of services thereto as may be necessary for the proper use and maintenance of the same.

The right is reserved to erect or construct upon the school site described in the Resolution other structures and improvements free and clear of said statutory mortgage lien, even though the same are connected by using as party walls one or more walls of structures which are subject to said mortgage lien, providing the same are capable of use as separate entities in themselves and have their own outside entrances and providing no part of the costs of said additional structures and improvements are paid from the proceeds of these Bonds.

Arbitrage Provisions

The Corporation shall at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Corporation on the Bonds shall, for the purpose of Federal income taxation, be excludable from the gross income of the recipients under any valid provision of law.

The Corporation shall not permit at any time any of the proceeds of the Bonds or other funds of the Corporation to be used to acquire any securities or obligations the acquisition of which would cause any such Bond to be an "arbitrage bond", as defined in the Internal Revenue Code of 1986, as amended (the "Code"), unless, under any valid provision of law hereafter enacted, the interest paid by the Corporation on the Bonds shall be excludable from the gross income of a recipient thereof for Federal income tax purposes without regard to compliance with the Code.

Resolution to Constitute a Contract

The provisions of the Resolution shall constitute a contract between the Corporation and the Registered Owners of any Bonds from time to time outstanding and, after the sale of such Bonds, no change in the provisions of the Resolution shall be permitted while any of said Bonds remain outstanding and unpaid, except as expressly authorized in the Resolution.

Other Covenants

The Corporation binds and obligates itself not to sell, mortgage, or in any manner dispose of the school Projects properties, including any and all extensions and additions that may be made thereto, except as specifically permitted and provided by the Resolution until all of the Bonds shall have been paid in full.

CERTAIN PROVISIONS OF THE CONTRACT, LEASE AND OPTION

The following summarizes certain provisions of the Lease pursuant to which the Corporation leases the school building properties to the Board. Reference is made to the Lease for a full and complete statement of its provisions.

Lease to the Board

The Corporation agrees to lease the Project to the Board and the Board agrees to lease the Project from the Corporation from year to year commencing on July 1, 2003.

The initial term of the Lease shall expire on June 30, 2004; provided, however, that the Lease shall be automatically renewed from year to year for one-year terms unless terminated by the Board upon written notice to the Corporation ninety days before the end of the fiscal year.

Amount and Due Date of Rentals

The amount of the annual rentals to be paid by the Board shall be a sum equal to the interest which will be due on June 1, together with the Bonds and interest which will be due on December 1 during the rental year, plus the costs of operation, maintenance and insurance.

Conveyance upon Retirement of Bonds

It is agreed that if the Board shall pay rentals from year to year until the first day of December, 2015, then upon completion of such payments the leased premises shall be and become the property of the Board.

Options to Purchase

It is hereby further agreed that the Board may purchase the Project and thereby terminate the Lease on any date by the payment of a sum sufficient to accomplish the retirement or defeasance of the outstanding Bonds issued by the Corporation

Maintenance and Insurance

The Board agrees that so long as the Board continues to lease the school Project it will, at its own expense, maintain the Project in good state of repair and will procure and pay the cost of insurance on all buildings located thereon against loss by fire, lightning, and windstorm in an amount equal to the full insurable value of the Project or the face amount of the Bonds outstanding, whichever is greater.

KENTUCKY DEPARTMENT OF EDUCATION SUPERVISION

According to a report furnished by the Kentucky Department of Education, under the terms of the Kentucky Revised Statutes and the regulations of the Kentucky Board of Education (the "State Board"), the State Board, by itself and through its executive officer, the Commissioner of Education (the "Commissioner"), supervises the general operations of the local boards of education and school building revenue bond financing for school purposes. The Commissioner examines and advises on the expenditures, business methods and accounts of all local boards of education, including the Board. The Commissioner is responsible for assuring that all financial and educational accounts are accurately and neatly kept, and that all reports are made according to the forms adopted by the State Board. Each school district supported in whole or in part from taxation is required to make a report to the State Board at the close of each scholastic year, showing in detail all funds received from the Commonwealth and from all other sources during the year, and a detailed statement of all expenditures for the year.

Each local board of education must prepare and submit to the Commissioner an annual budget showing the amount needed for current expenses, capital outlay, debt service and lease rental payments for the ensuing year, the estimated amount to be received from other sources, and the amount needed to be raised from local taxation, including the assessed valuation and tax rate for property subject to taxation by the school district. If the budget is disapproved, it must be amended and resubmitted. No budget is effective until approved by the Commissioner.

Each local school board must prepare and submit to the State Board, not later than January 15 of each year, a close estimate of its working budget which must conform to the rules and regulations prescribed by the State Board, and which must be consistent in its major divisions with the general school budget previously prepared.

A local superintendent may not recommend and a local school board member may not vote for an expenditure in excess of the income and revenue of any year as shown by the budget approved by the Commissioner, except for a purpose for which bonds have been voted, or in case of an emergency declared by the State Board.

All local boards of education who have entered into contracts with respect to the issuance of revenue bonds must arrange for insurance protection in an amount equal to the amount of bonds outstanding against the particular building or buildings, or to the full insurable value of such building or buildings, whichever is greater, and must report annually to the Superintendent, on forms provided by the Department of Education, the amount of insurance coverage provided for each building which has been mortgaged for the security of outstanding revenue bonds.

The State Department of Education must approve a bond issue and its related financial, educational and construction plans prior to issuance and such approval will be obtained prior to the sale of this issue.

STATE SUPPORT OF EDUCATION

The 1990 Regular Session of the General Assembly of the Commonwealth enacted a comprehensive legislative package known as the Kentucky Education Reform Act ("KERA") designed to comply with the mandate of the Kentucky Supreme Court that the General Assembly provide for an efficient and equitable system of schools throughout the State.

KERA became fully effective on July 13, 1990. Elementary and Secondary Education in the Commonwealth is supervised by the Commissioner of Education as the Chief Executive Officer of the State Department of Education ("DOE"), and appointee of the reconstituted Kentucky Board of Education (the "State Board"). Some salient features of KERA are as follows:

KRS 157.330 establishes the fund to Support Education Excellence in Kentucky ("SEEK") funded from biennial appropriations from the General Assembly for distribution to school districts. The base funding guaranteed to each school district by SEEK for operating and capital expenditures is determined in each fiscal year by dividing the total annual SEEK appropriation by the state-wide total of pupils in average daily attendance ("ADA") in the preceding fiscal year; the ADA for each district is subject to adjustment to reflect the number of at risk students (approved for free lunch programs under state and federal guidelines), number and types of exceptional children, and transportation costs.

KRS 157.420 establishes a formula which results in the allocation of funds for capital expenditures in school districts at \$100 per ADA pupil of the SEEK allotment which is required to be segregated into a Capital Outlay Allotment Fund which may be used only for (1) direct payment of construction costs; (2) debt service on voted and funding bonds; (3) lease rental payments in support of bond issues; (4) reduction of deficits resulting from over-expenditures for emergency capital construction; and (5) a reserve for each of the categories enumerated in 1 through 4 above.

KRS 160.470(12)(a) requires that effective for fiscal years beginning July 1, 1990 each school district shall levy a minimum equivalent tax rate of \$0.30 for general school purposes. The equivalent tax rate is defined as the rate which results when the income collected during the prior year from all taxes levied by the district (including utilities gross receipts license and special voted) for school purposes is divided by the total assessed value of property, plus the assessment for motor vehicles certified by the Revenue Cabinet of the Commonwealth. Any school district board of education which fails to comply with the minimum equivalent tax rate levy shall be subject to removal from office.

KRS 157.440(2) provides that for fiscal years beginning July 1, 1990 each school district may levy an equivalent tax rate which will produce up to 15% of those revenues guaranteed by the SEEK program. Any increase beyond the 4% annual limitation imposed by KRS 132.017 ("House Bill 44") is not subject to the recall provisions of that Section. Revenue generated by the 15% levy is to be equalized at 150% of the state-wide average per pupil equalized assessment.

KRS 157.440(2) permits school districts to levy up to 30% of the revenue guaranteed by the SEEK program, plus the revenue produced by the 15% levy, but said additional tax will not be equalized with state funds and will be subject to recall by a simple majority of those voting on the question.

KRS 157.620(1) also provides that in order to be eligible for participation from the Kentucky School Facilities Construction Commission for debt service on bond issues the district must levy a tax which will produce revenues equivalent to \$0.05 per \$100 of the total assessed value of all property in the district (including tangible and intangible property and motor vehicles). A district having a special voted tax which is equal to or higher than the required \$0.05 tax, must commit and segregate for capital purposes at least an amount equal to the required \$0.05 tax. Those districts which levy the additional \$0.05 tax are also eligible for participation in the Facilities Support Program of Kentucky ("FSPK") program for which funds are appropriated separately from SEEK funds and are distributed to districts in accordance with a formula taking into account outstanding debt and funds available for payment from both local and state sources.

KRS 160.460 provides that as of July 1, 1994 all real property located in the Commonwealth subject to local taxation shall be assessed at 100% of fair cash value.

CONTINUING DISCLOSURE; EXEMPTION

- (A) The Bonds and the interest thereon are exempt from income and ad valorem taxation by the Commonwealth of Kentucky and all of its political subdivisions.
- (B) The interest income from the Bonds is excludable from the gross income of the recipients thereof for Federal income tax purposes under existing law; provided, that the corporate entities noted below are advised of certain tax consequences as follows:
 - 1) In the computation of the corporate minimum tax, earnings and profits may include otherwise tax-exempt interest on the Bonds; this provision applies to corporations only.
 - 2) Property and casualty insurance companies may be denied certain loss reserve deductions to the extent of otherwise tax-exempt interest on the Bonds.
- (C) As a result of designations and certifications by the Board and the Corporation, indicating the issuance of less than \$10,000,000 of "qualified tax-exempt obligations" during the calendar year ending December 31, 2003, the Bonds may be treated by financial institutions as if they were acquired before August 8, 1986.
- (D) The interest income from the Bonds is excludable from the gross income of the recipients thereof for Federal income tax purposes under existing law for individuals; however, said income must be included in the calculation of "modified adjusted gross income" in the determination of whether and to what extent Social Security benefits are subject to Federal income taxation.

Utilities Gross Receipts Tax For Schools

Under the provisions of KRS 160.613, 160.615, and 160.617, the Gallatin County Board of Education levies a three percent Utility Gross Receipts License Tax for Schools. Receipts from the tax are as follows:

<u>2003 (est.)</u>	<u>2002</u>	<u>2001</u>	<u>2000</u>
\$450,000	\$589,839	\$555,770	\$537,088

Funds Available for Debt Service

Beginning with fiscal year 1990-91, capital expenditures in school districts are provided by the segregation of \$100 per ADA pupil from the SEEK funds allotment to each district. Expenditures from the Capital Outlay Allotment Fund may be used, up to a maximum of eighty percent (80%) of the annual allotment, for (1) direct payment of construction costs; (2) debt service on voted and funding bonds; (3) lease rental payments in support of bond issues; (4) reduction of deficits resulting from over-expenditures for emergency capital construction; and (5) a reserve for each of the categories enumerated in (1) through (4).

In addition to the Capital Outlay Allotment Fund as described above, each district is required to levy a tax which will produce revenues equivalent to five cents (\$0.05) per \$100 of assessed value of all property in the district in order to be eligible for participation from the Kentucky School Facilities Construction Commission. Tax receipts MUST be used for purposes enumerated in (1) through (5) above.

Those districts which levy the additional \$0.05 tax are also eligible to receive funds from the Facilities Support Program of Kentucky (the "FSPK"). These funds are appropriated separately from the SEEK funds and are distributed to districts in accordance with a formula taking into account outstanding debt and funds available for payment from both local and state sources. FSPK funds MAY be used for purposes enumerated in (1) through (5) above.

The funds available for Capital Outlay purposes, as described above, are not directly pledged for payment of principal and interest on outstanding school building revenue bonds, but as a practical matter and to the extent needed, have been and will continue to be applied to debt service through rental payments on Lease obligations.

Under the provisions of existing Kentucky law, the Corporation is permitted to act as an agency and instrumentality of the Board for financing purposes and the legality of the financing plan to be implemented by the Bonds herein referred to has been upheld by the Kentucky Court of Appeals (Supreme Court) in the case of White v. City of Middlesboro, Ky. 414 S.W.2d 569.

AUTHORITY AND PURPOSE

The Refunding Bonds are being issued under and in full compliance with the Constitution and Statutes of the Commonwealth of Kentucky, including Sections 162.120 through 162.300, 162.385, and Section 58.180 of the Kentucky Revised Statutes, within the meaning of the decision of the Court of Appeals of Kentucky (Supreme Court) in the case of Hemlepp v. Aronberg, 369 S.W.2d 121, for the purpose of providing funds to retire all of the outstanding Gallatin County School Finance Corporation School Building Revenue Bonds, Series of 1993, dated December 1, 1993 (the "Prior Issue") maturing on and after December 1, 2003 (the "Defeased Bonds") at or prior to their stated maturities on December 1, 2003.

SCHOOL FACILITIES CONSTRUCTION COMMISSION

The Kentucky School Facilities Construction Commission is an independent corporate agency and instrumentality of the Commonwealth of Kentucky established pursuant to the provisions of Sections 157.611 through 157.640 of the Kentucky Revised Statutes, as amended, repealed and reenacted (the "Act") for the purpose of assisting local school districts in meeting the school construction needs of the Commonwealth in a manner which will ensure an equitable distribution of funds based upon unmet need.

The Commission will enter into a Participation Agreement with the Board whereunder the Commission, will agree to continue to pay approximately 6.36% to be applied to the debt service of the Refunding Bonds through December 1, 2015; provided, however, that the contractual commitment of the Commission to pay the annual Agreed Participation is limited to the biennial budget period of the Commonwealth, with the first such biennial budget period terminating on June 30, 2004.

PROCEEDS TO RETIRE ALL BONDS OF PRIOR ISSUE

The Bonds of the Prior Issue were issued under the authority of Sections 162.120 through 162.300 and 162.385 of the Kentucky Revised Statutes for the purpose of providing funds to finance the construction of a new High School (the "Project"). Under the terms of the Resolution authorizing the Prior Issue, those Bonds are payable from the income and revenues of the Project financed from the proceeds thereof. The Bonds of the Prior Issue are secured by a statutory mortgage lien upon and a pledge of revenues from the rental of the Project to the Board under a Contract, Lease and Option, dated December 1, 1993 (the "Prior Lease").

The total principal amount of the Prior Issue to be outstanding as of July 1, 2003 is \$2,570,000, scheduled to mature on December 1 in each of the years 2003 through 2015. The Bonds of the Prior Issue constitute the only outstanding bonded indebtedness payable from or secured by the school Project financed from the proceeds thereof.

The 2003 Bond Resolution adopted by the Corporation's Board of Directors authorizes the complete payment and retirement of the Bonds of the Prior Issue including principal, accrued interest, and redemption premium, at or prior to their stated maturities through the deposit of the required amount of proceeds of the Refunding Bonds in a special Escrow Fund for application to the complete retirement of the Defeased Bonds.

The 2003 Bond Resolution expressly provides that upon delivery of the Refunding Bonds and the deposit of sufficient funds in accordance with the preceding paragraph neither the statutory mortgage lien upon nor the pledge of the revenues from the rental of the Project under the Prior Lease shall constitute the security and source of payment for any of the Defeased Bonds of the Prior Issue and the Registered Owners of such Defeased Bonds of the Prior Issue shall be paid from and secured by the monies deposited in the Escrow Fund for the retirement thereof upon the delivery of the Refunding Bonds.

SECURITY FOR REFUNDING BONDS

The Refunding Bonds will constitute a limited indebtedness of the Corporation and will be payable as to both principal and interest solely from the income and revenues of the school Project refinanced from the proceeds of the Prior Issue. The Refunding Bonds are secured by a statutory mortgage lien upon and pledge of the revenues derived from the rental of the school Project to the Board under a Contract, Lease and Option dated as of July 1, 2003 (the "2003 Lease").

Under the 2003 Lease the Board has leased the school property securing the Refunding Bonds in accordance with the provisions of KRS 162.140 for an initial period from June 1, 2003 through June 30, 2004, with the option in the Board to renew said 2003 Lease from year to year for one year at a time, at annual rentals, sufficient in each year to enable the Corporation to pay, solely from the rentals due under the 2003 Lease, the principal and interest on all of the Refunding Bonds as same become due.

In addition, the 2003 Lease provides that the Prior Lease will be canceled effective upon the sale and delivery of the Refunding Bonds. The 2003 Lease provides further that so long as the Board exercises its annual renewal options, its rentals will be payable according to the terms and provisions of the 2003 Lease until December 1, 2015, the final maturity date of the Refunding Bonds, and such annual rentals shall be deposited as received in the Bond Fund for the Refunding Bonds and used and applied for the payment of all maturing principal of and interest on the Refunding Bonds.

Under the terms of the 2003 Bond Resolution and the 2003 Lease the statutory mortgage lien securing the Refunding Bonds which is created and granted pursuant to KRS 162.200 upon the school Project is and shall be restricted in its application to the exact location of said school building Project and to such easements and rights of way for ingress, egress and the rendering of services thereto as may be necessary for the proper use and maintenance of said school buildings; the right being reserved to erect or construct upon any land not occupied by the school Project other independently financed school buildings, free and clear of said statutory mortgage lien, which other independently financed school buildings may or may not have a party wall with and adjoin said school building constituting the Project, provided no part of the cost of said other independently financed school buildings is paid from the proceeds of the sale of the Refunding Bonds.

STATE SUPPORT OF EDUCATION

The 1990 Regular Session of the General Assembly of the Commonwealth enacted a comprehensive legislative package known as the Kentucky Education Reform Act ("KERA") designed to comply with the mandate of the Kentucky Supreme Court that the General Assembly provide for as efficient and equitable system of schools throughout the State.

KERA became fully effective on July 13, 1990. Elementary and Secondary Education in the Commonwealth is supervised by the Commissioner of Education as the Chief Executive Officer of the State Department of Education ("DOE"), an appointee of the reconstituted State Board for Elementary and Secondary Education (the "State Board"). Some salient features of KERA are as follows:

KRS 157.330 establishes the fund to Support Education Excellence in Kentucky ("SEEK") funded from biennial appropriations from the General Assembly for distribution to school districts. The base funding guaranteed to each school district by SEEK for operating and capital expenditures is determined in each fiscal year by dividing the total annual SEEK appropriation by the state-wide total of pupils in average daily attendance ("ADA") in the preceding fiscal year; the ADA for each district is subject to adjustment to reflect the number of at risk students (approved for free lunch programs under state and federal guidelines), number and types of exceptional children, and transportation costs.

KRS 157.420 establishes a formula which results in the allocation of funds for capital expenditures in school districts at \$100 per ADA pupil of the SEEK allotment for the current biennium which is required to be segregated into a Capital Outlay Allotment Fund which may be used only for (1) direct payment of construction costs; (2) debt service on voted and funding bonds; (3) lease rental payments in support of bond issues; (4) reduction of deficits resulting from overexpenditures for emergency capital construction; and (5) a reserve for each of the categories enumerated in 1 through 4 above.

KRS 157.440(1) requires that effective for fiscal years beginning July 1, 1990 each school district shall levy a minimum equivalent tax rate of \$.30 for general school purposes. The equivalent tax rate is defined as the rate which results when the income collected during the prior year from all taxes levied by the district (including utilities gross receipts license and special voted) for school purposes is divided by the total assessed value of property, plus the assessment for motor vehicles certified by the Revenue Cabinet of the Commonwealth. Any school district board of education which fails to comply with the minimum equivalent tax rate levy shall be subject to removal from office.

KRS 157.440(2) provides that for fiscal years beginning July 1, 1990 each school district may levy an equivalent tax rate which will produce up to 15% of those revenues guaranteed by the SEEK program. Any increase beyond the 4% annual limitation imposed by KRS 132.017 is not subject to the recall provisions of that Section. Revenue generated by the 15% levy is to be equalized at 150% of the state-wide average per pupil equalized assessment.

KRS 157.440(2) permits school districts to levy up to 30% of the revenue guaranteed by the SEEK program, plus the revenue produced by the 15% levy, but said additional tax will not be equalized with state funds and will be subject to recall by a simple majority of those voting on the question.

KRS 157.620(1) also provides that in order to be eligible for participation from the Kentucky School Facilities Construction Commission for debt service on bond issues the district must levy a tax which will produce revenues equivalent to \$.05 per \$100 of the total assessed value of all property in the district (including tangible and intangible property and motor vehicles) in addition to the minimum \$.30 levy required by KRS 160.470(12). A district having a special voted tax which is equal to or higher than the required \$.05 tax, must commit and segregate for capital purposes at least an amount equal to the required \$.05 tax. Those districts which levy the additional \$.05 tax are also eligible for participation in the Kentucky Facilities Support ("KFS") program for which funds are appropriated separately from SEEK

funds and are distributed to districts in accordance with a formula taking into account outstanding debt and funds available for payment from both local and state sources under KRS 157.440(1)(b).

KRS 160.460 provides that as of July 1, 1994 all real property located in the Commonwealth subject to local taxation shall be assessed at 100% of fair cash value.

ADOPTION OF STATE BUDGET; LITIGATION

The General Assembly is required by the Kentucky Constitution to adopt measures providing for the State's revenues and appropriations for each fiscal year. The Governor is required by law to submit a biennial State Budget (the "State Budget") to the General Assembly of the Commonwealth during the legislative session held in each even numbered year. State Budgets have generally been adopted by the General Assembly during those legislative sessions, which end in mid-April, to be effective for a two-year period commencing on the following July 1.

The Governor submitted a proposed State Budget, for the two-year period that begins July 1, 2002, during the regularly scheduled legislative session that began in January 2002. The regular legislative session of the General Assembly adjourned on April 15, 2002 without adoption of a State Budget. Upon conclusion of the Regular Session, the Governor called a Special Session for the sole purpose of adopting a State Budget. This special legislative session also adjourned without adoption of a State Budget.

Since a State Budget was not enacted by July 1, 2002, based upon advice received from the Attorney General of Kentucky, the Governor authorized state expenditures by executive order.

On March 10, 2003 the 2003 Regular Session of the Kentucky General Assembly enacted a biennial state Budget for the fiscal years 2002-2004 by a vote of 36-1 in the Senate and 87-7 in the House of Representatives. The Budget has now become legally effective.

It would now appear that litigation regarding the Budget initiated by the Kentucky State Treasurer and subsequently joined by the President of the Senate and a private citizen, pro se, has become moot.

Nevertheless, the separate suit filed in Franklin Circuit Court by sixteen students and their parents from eight South Central Kentucky School Districts as a class action naming the Governor, the President of the Senate, the Speaker of the House and the General Assembly of Kentucky as Defendants and seeking to have the Court (a) declare Kentucky's educational funding system unconstitutional; (b) mandate the adoption of a Budget by the General Assembly implementing school funding on an equal basis among school districts adequate to provide proper education; and (c) provide for monitoring the implementation of a new school funding system, remains subject to judicial determination.

MUNICIPAL SECURITIES DISCLOSURE; EXEMPTION

As a result of the Board and issuing agencies acting on behalf of the Board having outstanding at the time the Bonds referred to herein are offered for public sale municipal securities in excess of \$1,000,000 but less than \$10,000,000, the Corporation and the Board will enter into a written agreement for the benefit of all parties who may become Registered Owners of the Bonds whereunder said Corporation and Board will agree to comply with the provisions with the Municipal Securities Disclosure Rules set forth in Securities and Exchange Commission Rule 15c2-12.

Financial information regarding the Board may be obtained from Superintendent, Gallatin County Board of Education, PO Box 147, 110 W. Main, Warsaw, Kentucky 41095 (859)-567-2828.

TAX EXEMPTION; "BANK QUALIFIED"

Bond Counsel is of the opinion that the Refunding Bonds are "qualified tax-exempt obligations" within the meaning of the Internal Revenue Code of 1986, as amended, and therefore advises as follows:

- (A) The Refunding Bonds and the interest thereon are exempt from income and ad valorem taxation by the Commonwealth of Kentucky and all of its political subdivisions.
- (B) The interest income from the Refunding Bonds is excludable from the gross income of the recipient thereof for Federal income tax purposes under existing law; provided, that the corporate entities noted below are advised of certain tax consequences as follows:
- (1) In the computation of the corporate minimum tax, earnings and profits may include otherwise tax-exempt interest on the Refunding Bonds; this provision applies to corporations only.
 - (2) Property and casualty insurance companies may be denied certain loss reserve deductions to the extent of otherwise tax-exempt interest on the Refunding Bonds.
- (C) As a result of designations and certifications by the Board and the Corporation, indicating the issuance of less than \$10,000,000 of tax-exempt obligations during the calendar year ending December 31, 2003, the Bonds may be treated by financial institutions as if they were acquired before August 8, 1986.
- (D) The interest income from the Refunding Bonds is excludable from the gross income of the recipient thereof for Federal income tax purposes under existing law for individuals; however, said income must be included in the calculation of "modified adjusted gross income" in the determination of whether and to what extent Social Security benefits are subject to Federal income taxation.

The Corporation will provide the purchaser the customary no-litigation certificate, and the final approving Legal Opinions of Henry M. Reed III, Bond Counsel and Special Tax Counsel, Louisville, Kentucky approving the legality of the Bonds. These opinions will accompany the Bonds when delivered, without expense to the purchaser.

BOOK-ENTRY-ONLY SYSTEM

Unless the purchaser of the Refunding Bonds elects the issuance of standard bond certificates, the Refunding Bonds shall utilize the Book-Entry-Only-System administered by The Depository Trust Company ("DTC").

DTC will act as securities depository for the Bonds. The Bonds initially will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully-registered Bond Certificate will be issued, in the aggregate principal amount of the Bonds, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Participants") deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. "Direct Participants" include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks, and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Rules applicable to DTC and its participants are on file with the Securities and Exchange Commission.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participant's records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds ("Beneficial Ownership Interest") are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their Beneficial Ownership interests in Bonds, except in the event that use of the book-entry system for the Securities is discontinued. Transfers of ownership interest in the Securities are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of Bonds with DTC and their registration in the name of Cede & Co., effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners, will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to Cede & Co. If less than all of the Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each District Participant in the Bonds to be redeemed.

Neither DTC nor Cede & Co. will consent or vote with respect to Bonds. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments of the Bonds will be made to DTC. DTC's practice is to credit Direct Participants' account on payable date in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on payable date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC, the Issuer, or the Trustee, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the Issuer or the Trustee, disbursements of such payments to Direct Participants shall be the responsibility of DTC, and disbursements of such payment to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Beneficial Ownership Interests purchased or tendered, through its Participant, to the Trustee, and shall effect delivery of such Beneficial Ownership Interests by causing the Direct Participant to transfer the Participant's interest in the Beneficial Ownership Interests, on DTC's records, to the purchaser or the Trustee, as appropriate. The requirements for physical delivery of Bonds in connection with a demand for purchase or a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the Issuer or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered, as described below under "THE BONDS-Revision of Book-Entry System; Replacement Bonds."

NEITHER THE ISSUER, THE BOARD NOR THE BOND REGISTRAR/PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO ANY DIRECT PARTICIPANT, INDIRECT PARTICIPANT OR ANY BENEFICIAL OWNER OR ANY OTHER PERSON NOT SHOWN ON THE REGISTRATION BOOKS OF THE BOND REGISTRAR/PAYING AGENT AS BEING AN OWNER WITH RESPECT TO: (1) THE BONDS; (2) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT; (3) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PURCHASE PRICE OF TENDERED BONDS OR THE PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON THE BONDS; (4) THE DELIVERY BY ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE BOND RESOLUTION TO BE GIVEN TO HOLDERS; (5) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (6) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS HOLDER.
