PRELIMINARY OFFICIAL STATEMENT

\$20,525,000*

**CITY OF OWENSBORO, KENTUCKY
GENERAL OBLIGATION PUBLIC PROJECT BONDS
SERIES 2011**

Dated Date: April 28, 2011

INTRODUCTION

The purpose of this Official Statement, which includes the cover page and appendices hereto, is to provide certain information with respect to the issuance of \$20,525,000* aggregate principal amount of General Obligation Public Project Bonds, Series 2011 (the "Bonds") of the City of Owensboro, Kentucky (the "City") as specified on the cover hereof.

This introduction is not a summary of this Official Statement. It is only a brief description of and guide to, and is qualified by, more complete and detailed information contained in the entire Official Statement, including the cover page and appendices hereto, and the documents summarized or described herein. A full review should be made of the entire Official Statement. The offering of Bonds to potential investors is made only by means of the entire Official Statement.

The Issuer

The Bonds are being issued by the City of Owensboro, Kentucky, a municipal corporation and political subdivision of the State of Kentucky. The City is in Daviess County in Central Kentucky.

Sources of Payment for the Bonds

The Bonds are general obligation debt of the City. The basic security for the Bonds is the City's ability to levy an annual tax to pay the interest on and principal of the Bonds as and when the same become due and payable. (See "Security and Source of Payment for the Bonds," herein).

Purpose of the Bonds

The Bonds are being issued for the purpose of (i) financing amenities at Smothers Park, utility relocation and street beautification around the event center ("The Project"), and (ii) paying the costs of issuing the Bonds.

Description of the Bonds

The Bonds mature as indicated on the cover page hereof. The Bonds are being offered in fully registered form in denominations of \$5,000 or any integral multiple thereof (within the same maturity).

Redemption

The Bonds maturing on and after April 1, 2022 are subject to optional redemption prior to maturity, commencing April 1, 2021 (see "DESCRIPTION OF THE BONDS - Optional Redemption", herein).

In the event any Bonds are called for redemption, notice shall be given by mailing a copy of the redemption notice at least thirty (30) days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed (see "DESCRIPTION OF THE BONDS - Notice of Redemption", herein).

Book Entry

Unless the successful purchaser notifies the City in writing within twenty-four hours of the award of the Bonds that it has elected (at such purchaser's expense) to take physical delivery of the Bonds, The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Bonds and the Bonds initially will be issued solely in book-entry form to be held in the book-entry only system maintained by DTC. So long as such book-entry system

Preliminary, Subject to Adjustment

is used, only DTC will receive or have the right to receive physical delivery of Bonds and, except as otherwise provided herein with respect to Beneficial Owners (as defined below) of beneficial ownership interests, Beneficial Owners will not be or be considered to be, and will not have any rights as, owners or holders of the Bonds under the Resolution.

The following information about the book-entry only system applicable to the Bonds has been supplied by DTC. Neither the City nor the Paying Agent and Registrar make any representations, warranties or guarantees with respect to its accuracy or completeness.

DTC will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond will be issued for in the aggregate principal amount of the Bonds and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 2 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 85 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Government Securities Clearing Corporation, MBS Clearing Corporation, and Emerging Markets Clearing Corporation, (NSCC, GSCC, MBSCC, and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For

example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Paying Agent and Registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Paying Agent and Registrar as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and interest payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Paying Agent and Registrar, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with Bonds held for the accounts of customers in bearer form or registered in "street name" and will be the responsibility of such Participant and not of DTC or its nominee, the Paying Agent and Registrar or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the Paying Agent and Registrar, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Bonds purchased or tendered, through its Participant, to the Remarketing Agent and shall effect delivery of such Bonds by causing the Direct Participant to transfer the Participant's interest in the Bonds, on DTC's records, to the Remarketing Agent. The requirement for physical delivery of Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Bonds to the Remarketing Agent's DTC account.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable but neither the City nor the Paying Agent and Registrar take any responsibility for the accuracy thereof.

NEITHER THE CITY NOR THE PAYING AGENT AND REGISTRAR WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO ANY DIRECT PARTICIPANT, INDIRECT PARTICIPANT OR ANY BENEFICIAL OWNER OR ANY OTHER PERSON NOT SHOWN ON THE REGISTRATION BOOKS OF THE PAYING AGENT AND REGISTRAR AS BEING A HOLDER WITH RESPECT TO: (1) THE BONDS; (2) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT; (3) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PURCHASE PRICE OF TENDERED BONDS OR THE PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON THE BONDS; (4) THE DELIVERY BY ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE RESOLUTION TO BE GIVEN TO HOLDERS; (5) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (6) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS HOLDER.

Each Beneficial Owner for whom a Direct Participant or Indirect Participant acquires an interest in the Bonds, as nominee, may desire to make arrangements with such Direct Participant or Indirect Participant to receive a credit balance in the records of such Direct Participant or Indirect Participant, to have all notices of redemption, elections to tender Bonds or other communications to or by DTC which may affect such Beneficial Owner forwarded in writing by such Direct Participant or Indirect Participant, and to have notification made of all debt service payments.

Beneficial Owners may be charged a sum sufficient to cover any tax, fee, or other governmental charge that may be imposed in relation to any transfer or exchange of their interests in the Bonds.

The City and the Paying Agent and Registrar cannot and do not give any assurances that DTC, Direct Participants, Indirect Participants or others will distribute payments of debt service on the Bonds made to DTC or its nominee as the registered owner, or any redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis, or that DTC, Direct Participants or Indirect Participants will serve and act in the manner described in this Official Statement.

DTC may determine to discontinue providing its service as securities depository with respect to the Bonds at any time by giving notice to the City and discharging its responsibilities with respect thereto under applicable law. In such event, the Resolution provides for issuance of fully registered Bonds ("Replacement Bonds") directly to the Beneficial Owners of Bonds, other than DTC or its nominee, only in the event that DTC resigns or is removed as the securities depository for the Bonds. Upon the occurrence of this event, the City and the Paying Agent and Registrar may appoint another qualified depository. If the City and the Paying Agent and Registrar fail to appoint a successor depository, the Bonds shall be withdrawn from DTC and issued in fully registered form, whereupon the City shall execute and the Paying Agent and Registrar, as authenticating agent, shall authenticate and deliver Replacement Bonds in the denomination of \$5,000 or integral multiples thereof. The City will pay for all costs and expenses of printing, executing and authenticating the Replacement Bonds. Transfer and exchange of such Replacement Bonds shall be made as provided in the Resolution.

Tax Exemption

Under the laws, regulations, rulings and judicial decisions in effect as of the date hereof, interest, including original issue discount, if any, on the Bonds is excludable from gross income for Federal income tax purposes, pursuant to the Internal Revenue Code of 1986, as amended (the "Code"). Furthermore, interest on the Bonds will not be treated as a specific item of tax preference, under Section 57(a)(5) of the Code, in computing the alternative minimum tax for individuals and corporations. In rendering the opinions in this paragraph, Bond Counsel has assumed continuing compliance with certain covenants designed to meet the requirements of Section 103 of the Code. Bond Counsel expresses no other opinion as to the federal tax consequences of purchasing, holding or disposing of the Bonds. Interest on the Bonds is also exempt from income taxation and the bonds are exempt from ad valorem taxation by the Commonwealth of Kentucky and any of its political subdivisions.

The City has **NOT** designated the Bonds as "qualified tax-exempt obligations" with respect to certain financial institutions under Section 265 of the Internal Revenue Code of 1986, as amended.

See Appendix E hereto for the form of the opinion Bond Counsel proposes to deliver in connection with the Bonds.

Parties to the Issuance of the Bonds

The Registrar and Paying Agent is U. S. Bank National Association, Louisville, Kentucky. Legal matters incident to the issuance of the Bonds and with regard to the tax-exempt status of the interest thereon are subject to the approving legal opinion of Peck, Shaffer & Williams LLP, Covington, Kentucky, Bond Counsel. The Financial Advisor to the City is First Kentucky Securities Corporation.

Authority for Issuance

Authority for the issuance of the Bonds is provided by Sections 66.011 through 66.171 of the Kentucky Revised Statutes and an ordinance (the "Ordinance") scheduled to be adopted by the Board of Commissioners of the City on April 19, 2011.

Disclosure Information

This Official Statement speaks only as of its date, and the information contained herein is subject to change. This Official Statement and continuing disclosure documents of the City are intended to be made available through one or more repositories. Copies of the basic documentation relating to the Bonds, including the Ordinance and the bond forms, are available from the City.

The City deems this Preliminary Official Statement to be final for the purposes of Securities and Exchange Commission Rule 15c2-12(b)(1), except for certain information on the cover page hereof, and certain pages herein which have been omitted in accordance with the Rule and will be provided with the final Official Statement.

Additional Information

Additional information concerning this Official Statement, as well as copies of the basic documentation relating to the Bonds, is available from First Kentucky Securities Corporation, Financial Advisor to the City of Owensboro, 305 Ann Street, Suite 400, Frankfort, Kentucky 40602, telephone (502) 875-4611 Attn: Stan Kramer.

DESCRIPTION OF THE BONDS

The Bonds are dated the date of delivery (expected May 12, 2011) and bear interest from such date at the rates set forth on the cover page of this Official Statement. The Bonds are being issued as fully registered bonds in the denomination of \$5,000 or any integral multiple thereof.

Interest on the Bonds is payable semi-annually on April 1 and October 1, commencing October 1, 2011.

Optional Redemption

The Bonds maturing on and after April 1, 2022, shall be subject to redemption by the City prior to maturity, in whole or in part, in any order of their maturities selected by the City (less than all of a single maturity to be selected by lot), on any date, on or after April 1, 2021, at a redemption price equal to the principal amount of the Bonds called for redemption, plus unpaid interest accrued to the date of redemption, without premium.

Notice of Redemption

If less than all Bonds which are payable by their terms on the same date are to be called, the particular Bonds or portions of Bonds payable on such same date and to be redeemed from such series shall be selected by lot by the Registrar and Paying Agent, in such manner as the Registrar and Paying Agent in its discretion may determine; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or some multiple thereof, and that, in selecting Bonds for redemption, the Registrar and Paying Agent shall treat each bond as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000.

At least thirty (30) days before the redemption date of any Bonds the Registrar and Paying Agent shall cause a notice of such redemption either in whole or in part, signed by the Registrar and Paying Agent, to be mailed, postage prepaid, to all registered owners of Bonds to be redeemed in whole or in part at their addresses as they appear on the registration books kept by the Registrar and Paying Agent, but failure so to mail any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Bonds being payable by their terms on a single date then outstanding shall be called for redemption, the distinctive numbers or letters, if any, of such Bonds to be redeemed and, in the case of Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Bond is to be redeemed in part only, the notice of redemption which relates to such Bond shall state also that on or after the redemption date upon surrender of such Bonds, a new Bond in principal amount equal to the unredeemed portion of such Bonds will be issued.

On the date so designated for redemption, notice having been sent in the manner and under the conditions hereinabove provided and moneys for payment of the redemption price being held in separate accounts by the Registrar and Paying Agent for the holders of the Bonds or portions thereof to be redeemed, the Bonds or portions of Bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Bonds or portions of Bonds on such date, interest on the Bonds or portions of Bonds so called for redemption shall cease to accrue, and the holders or registered owners of such Bonds or portions of Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof and to receive Bonds for any unredeemed portions of Bonds.

In case part but not all of an outstanding Bond shall be selected for redemption, the registered owner thereof or his attorney or legal representative shall present and surrender such Bond to the Registrar and Paying Agent for payment of the principal amount hereof so called for redemption, and the City shall execute and the Registrar and Paying Agent shall authenticate and deliver to or upon the order of such registered owner or his legal representative, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered a Bond of the same series and maturity and bearing interest at the same rate.

Security and Source of Payment for Bonds

The Bonds are general obligations of the City and the full faith, credit and taxing power of the City is irrevocably pledged to the payment of principal of and interest on the Bonds when due.

The basic security for the general obligation debt of the City, including the Bonds, is the City's ability to levy, and its pledge to levy, an annual tax to pay the interest on and principal of the Bonds as and when the same become due and payable. The tax must be levied in sufficient amount to pay, as the same become due, the principal of and interest on the Bonds as well as the principal of and interest on all outstanding general obligation bonds and bond anticipation notes of the City. The Constitution of the State mandates the collection of a tax sufficient to pay the interest on an authorized indebtedness and the creation of a sinking fund for the payment of the principal thereof. The Ordinance levies such annual tax which shall be collected to the extent other lawfully available moneys of the City are not provided. The Ordinance also creates a sinking fund into which the proceeds of such tax or other lawfully available moneys of the City are to be deposited for payment of the interest on and principal of the Bonds and shall not be used for any other purpose.

Chapter 9 of the Federal Bankruptcy Code contains provisions relating to the adjustment of debts of a State's political subdivisions, public agencies and instrumentalities ("eligible entity"), such as the City. Under the Bankruptcy Code and in certain circumstances described therein, an eligible entity may be authorized to initiate Chapter 9 proceedings without prior notice to or consent of its creditors, which proceedings may result in material and adverse modification or alteration of the rights of its secured and unsecured creditors, including holders of its bonds and notes.

Section 66.400 of the Kentucky Revised Statutes permits a political subdivision, such as the City, for the purpose of enabling such subdivision to take advantage of the provisions of the Bankruptcy Code, and for that purpose only, to file a petition stating that the subdivision is insolvent or unable to meet its debts as they mature, and that it desires to effect a plan for the composition or readjustment of its debts, and to take such further proceedings as are set forth in the Bankruptcy Code as they relate to such subdivision. No taxing subdivision is permitted, in availing itself of the provisions of the Bankruptcy Code, to scale down, cut down or reduce the principal sum of its securities except that interest thereon may be reduced in whole or in part.

THE PROJECT

The Bonds are being issued for the purpose of (i) financing amenities at Smothers Park, utility relocation and street beautification around the event center located in the City ("The Project"), and (ii) paying the costs of issuing the Bonds.

INVESTMENT CONSIDERATIONS

The Bonds, like all obligations of state and local government, are subject to changes in value due to changes in the condition of the tax-exempt bond market and/or changes in the financial condition of the City.

Prospective purchasers of the Bonds may need to consult their own tax advisors prior to any purchase of the Bonds as to the impact of the Internal Revenue Code of 1986, as amended, upon their acquisition, holding or disposition of the Bonds.

It is possible under certain market conditions, or if the financial condition of the City should change, that the market price of the Bonds could be adversely affected.

With regard to the risk involved in a lowering of the City's bond rating, see "RATINGS" herein. With regard to creditors' rights, see "SECURITY AND SOURCE OF PAYMENT FOR BONDS" herein.

PROFILE OF THE CITY AND SURROUNDING AREA

Demographic, economic and financial information with respect to the City and the surrounding area is set forth in Appendix A hereto.

CITY GOVERNMENT

Organization and Major Offices

The City operates pursuant to the general statutes of the Commonwealth of Kentucky governing municipalities.

Elected and Appointed Officials

The City operates under a City Manager form of government. The Owensboro Board of Commissioners (the "Board") is made up of a Mayor and four Commissioners elected at large by the citizens on a non-partisan ballot. The Mayor is elected for a four-year term and Commissioners for a two-year term. The Mayor and Commissioners have equal voting power.

The Board sets the policies that govern the City. It appoints advisory citizen groups that help in the decision making process. The City Manager is hired by the Board and is responsible for the day-to-day operations of the City's employees. The department managers are responsible for their various departments and report to the City Manager.

Financial Matters

The Finance Director is the chief fiscal officer of the City, and is appointed by and serves at the pleasure of the Board. The Finance Director is responsible for the accounting, collection, custody and disbursement of the funds of the City.

The City's fiscal year commences July 1 and ends the following June 30.

The administrative functions of the City are performed by or under the supervision of the following:

1. Establishment of overall financial policy, the Board.
2. Planning and development, the Mayor and Manager.
3. Assessment of real and personal property, the Daviess County Property Valuation Administrator.
4. Financial control functions, the Manager and the Finance Director.
5. Inspection and supervision of the accounts and reports of the City as required by law, by the Auditor of Public Accountants and by independent certified public accountants.

Financial Management

The Board is responsible for appropriating the funds used to support the various City activities. The Board exercises its legislative powers by budgeting, appropriating, levying taxes, issuing bonds and notes, and letting contracts for public works and services to provide this financial management.

Financial Reports and Examinations of Accounts

Each city in the State is required to keep its accounting records and render financial reports in such a way as to: (a) determine compliance with statutory provisions; (b) determine fairly and with full disclosure the financial operations of consistent funds and account groups of the city in conformity with generally accepted governmental accounting principles; and (c) readily provide such financial data as may be required by the federal revenue sharing program.

Municipal accounting systems are required to be organized and operated on a fund basis. The City maintains its accounts and other fiscal records on an appropriation and modified accrual basis in accordance with the procedures established and prescribed by the Kentucky Department for Local Government.

As required by law, financial reports are prepared annually by the City and filed with the Kentucky Department of Local Government. Audits are required to be completed by the February 1st immediately following the fiscal year being audited.

The accounting procedures prescribed by the Kentucky Department of Local Government are generally applicable to all cities in Kentucky and may be different from generally accepted government accounting principles as presented and recommended in the National Council on Governmental Accounting publication "Governmental Accounting Auditing and Financial Reporting," and the Industry Audit Guide of the American Institute of Certified Public Accountants, entitled "Audits of State and Local Governmental Units." Those publications, among other things, provide for a modified accrual basis of accounting for the general fund, all special revenue funds and the debt service fund, and for a full accrual basis of accounting for all other funds, and further provide for the preparation for each fund of balance sheets, statements of revenues and expenditures, and statements showing changes in fund balances.

Budgeting and Appropriations Procedures

Detailed provisions for City budgeting, tax levies and appropriations are made in the Kentucky Revised Statutes. Cities are required to operate under an annual budget ordinance and no City may expend any moneys from a governmental or proprietary fund except in accordance with such budget. A budget proposal must be submitted to the City's legislative body no later than 30 days prior to the beginning of the fiscal year covered by the budget. No budget ordinance may be adopted which provides for appropriations to exceed revenues in a fiscal year. The full amount estimated to be required for debt service during the budget year must be appropriated.

Investment Policies

Section 66.480 of the Kentucky Revised Statutes sets forth the requirements and limitations for investments of the state's political subdivisions, including the City. Under that Section, the City must adopt an investment policy and may invest its funds only in the classifications of obligations which are eligible for investment, which are as follows:

- (a) Obligations of the United States and of its agencies and instrumentalities, including obligations subject to repurchase agreements, if delivery of these obligations subject to repurchase agreements is taken either directly or through an authorized custodian. These investments may be accomplished through repurchase agreements reached with sources including, but not limited to, national or state banks chartered in Kentucky;
- (b) Obligations and contracts for future delivery or purchase of obligations backed by the full faith and credit of the United States or a United States governmental agency, including but not limited to:
 - 1. United States Treasury;
 - 2. Export-Import Bank of the United States;
 - 3. Farmers Home Administration;
 - 4. Governmental National Mortgage Corporation; and
 - 5. Merchant Marine bonds;
- (c) Obligations of any corporation of the United States government, including but not limited to:
 - 1. Federal Home Loan Mortgage Corporation;
 - 2. Federal Farm Credit Banks;
 - 3. Bank for Cooperatives;
 - 4. Federal Intermediate Credit Banks;
 - 5. Federal Land Banks;

6. Federal Home Loan Banks;
 7. Federal National Mortgage Association; and
 8. Tennessee Valley Authority;
- (d) Certificates of deposit issued by or other interest-bearing accounts of any bank or savings and loan institution which are insured by the Federal Deposit Insurance Corporation or similar entity or which are collateralized, to the extent uninsured, by any obligations permitted by KRS 41.240(d);
 - (e) Uncollateralized certificates of deposit issued by any bank or savings and loan institutions rated in one (1) of the three (3) highest categories by a nationally recognized rating agency;
 - (f) Bankers' acceptances for banks rated in one (1) of the three (3) highest categories by a nationally recognized rating agency;
 - (g) Commercial paper rated in the highest category by a nationally recognized rating agency;
 - (h) Bonds or certificates of indebtedness of this state and of its agencies and instrumentalities;
 - (i) Securities issued by a state or local government, or any instrumentality of agency thereof, in the United States, and rated in one (1) of the three highest categories by a nationally recognized rating agency; and
 - (j) Shares of mutual funds, each of which shall have the following characteristics:
 1. The mutual fund shall be an open-end diversified investment company registered under the Federal Investment Company Act of 1940, as amended;
 2. The management company of the investment company shall have been in operation for at least five (5) years; and
 3. All of the securities in the mutual fund shall be investments described in (a) through (i) above.

Debt Limitation

Kentucky Constitution Section 158 provides that cities shall not incur indebtedness to an amount exceeding the following maximum percentages on the value of the taxable property therein, to be estimated by the last assessment previous to the incurring of the indebtedness:

- (a) Cities having a population of fifteen thousand (15,000) or more, ten percent (10%);
- (b) Cities having a population of less than fifteen thousand (15,000) but not less than three thousand, five percent (5%); and
- (c) Cities having a population of less than three thousand (3,000), three percent (3%).

Nothing shall prevent the issue of renewal bonds, or bonds to fund the floating indebtedness of any city, county, or taxing district. Subject to the limits and conditions set forth in that section and elsewhere in the Constitution, the General Assembly has the power to establish additional limits on indebtedness and conditions under which debt may be incurred by cities.

KRS 66.041 provides the same limitations as are set forth in the Constitution except that the limitations apply to "net indebtedness". In calculating "net indebtedness," KRS 66.031 provides that certain obligations of a municipality are not to be considered in the calculation, including self-supporting obligations, revenue bonds, and special assessment debt. (For a complete list of exempt debt see the Statement of Indebtedness attached as Appendix D.)

Other infrequently-issued types of obligations are also excluded from the calculation of net indebtedness. The City has no such obligations outstanding. Notes issued in anticipation of bonds excluded from the calculation of net indebtedness are also excluded from such calculation.

Appendix D of this Official Statement is a Statement of Indebtedness for the City, certified by the City, calculating the amount of the outstanding obligations of the City (including the Bonds) which are subject to the total direct debt limit (10% limit). The total principal amount of general obligation debt that could be issued by the City, subject to the 10% total direct debt limitation is \$300,176,195 and the City's net debt subject to such limitation presently outstanding (including the Bonds) is \$50,925,621 leaving a balance of approximately \$249,250,574 borrowing capacity issuable within such limitation. However, as described below, the City's ability to incur debt in these amounts is restricted by tax limitations. In the case of general obligation debt, both the debt limitations and tax limitations must be met.

Tax Limitation

The Kentucky Constitution Section 157 also indirectly imposes a debt limitation on general obligation indebtedness of Cities by limiting the tax rates cities may impose upon the value of taxable property, as follows:

- (a) cities having a population of fifteen thousand or more, one dollar and fifty cents on each hundred dollars of assessed value;
- (b) cities having a population of less than fifteen thousand and not less than ten thousand, one dollar on each hundred dollars of assessed value; and
- (c) cities having a population of less than ten thousand, seventy-five cents on the hundred dollars.

Section 159 of the Kentucky Constitution requires the collection of an annual tax sufficient to pay the interest on contracted indebtedness and to retire indebtedness over a period not exceeding forty years. The two constitutional provisions operate as a limit on general obligation debt. Because the indirect debt limit results from tax limitations and the requirement to levy taxes to pay debt charges, it has application only to debts which are payable from taxes either initially or in the event other pledged non-tax revenues prove to be insufficient. It does not have any application where the type of debt being issued does not pledge the credit of the municipality or when the debt is payable solely out of the revenues of non-tax sources, such as utility income.

Appendix D of this Official Statement contains a Statement of Indebtedness, certified by the City, setting forth the property tax rate currently levied by the City (.2593) and certifying that the issuance of the Bonds will not cause such rate to increase to an amount which would exceed the maximum permissible rate.

Bond Anticipation Notes

Under Kentucky law, notes, including renewal notes, issued in anticipation of general obligation bonds may be issued from time to time upon the same terms and conditions as bonds except that notes may be sold by private negotiated sale in a manner determined or authorized by the legislative authority.

The ability of the City to retire bond anticipation notes from the proceeds of the sale of either renewal notes or bonds will be dependent upon the marketability of such renewal notes or bonds under market conditions then prevailing.

Future Borrowings of the City

The City anticipates issuing taxable general obligation bonds in June, 2011 in the amount of approximately \$2,885,000 for the purpose of paying the costs of the second phase of an economic development project. The City further anticipates issuing general obligation bonds in 2012 in the amount of approximately \$20,545,000 for the purpose of paying the costs of the third phase of the City's downtown revitalization project, and another financing of approximately \$20,545,000 in 2012 to retire the City's outstanding Series 2009 Bond Anticipation Notes, which were issued for the purpose of paying the costs, on an interim basis, of the first phase of the above mentioned downtown revitalization project.

LEGAL MATTERS

General Information

Legal matters incident to the issuance of the Bonds and with regard to the tax-exempt status thereof are subject to the approving legal opinion of Peck, Shaffer & Williams LLP, Bond Counsel. Upon delivery of the Bonds of the City to the successful bidder therefor, the Bonds will be accompanied by an approving opinion dated the date of such delivery, rendered by Peck, Shaffer & Williams LLP. A draft of such legal opinion for the Bonds is attached as Appendix E.

Said firm as Bond Counsel has performed certain functions to assist the City in the preparation by the City of its Official Statement. However, said firm assumes no responsibility for, and will express no opinion regarding the accuracy or completeness of this Official Statement or any other information relating to the City or the Bonds that may be made available by the City or others to the bidders or holders of the Bonds or others.

The engagement of said firm as Bond Counsel is limited to the preparation of certain of the documents contained in the transcript of proceedings with regard to the Bonds, and an examination of such transcript proceedings incident to rendering its legal opinion. In its capacity as Bond Counsel, said firm has reviewed the information in this Official Statement under Sections entitled "General Information" as to legal matters, "Authority for Issuance", "Security and Source of Payment for Bonds", "Debt Limitation", "Tax Limitation" and "Tax Exemption", which review did not include any independent verification of financial statements and statistical data included therein, if any.

Transcript and Closing Certificates

A complete transcript of proceedings, a no-litigation certificate and other appropriate closing documents will be delivered by the City when the Bonds are delivered to the original purchaser. The City will also provide to the original purchaser, at the time of such delivery, a certificate from the City's Mayor and or Clerk addressed to such purchaser relating to the accuracy and completeness of this Official Statement.

Litigation

To the knowledge of the City, no litigation or administrative action or proceeding is pending or threatened directly affecting the Bonds, the security for the Bonds or the improvements being refinanced from the proceeds of the Bonds. A No-Litigation Certificate to that effect will be delivered to the purchaser at the time of the delivery of the Bonds.

TAX EXEMPTION

In the opinion of Bond Counsel for the Bonds, based upon an analysis of existing laws, regulations, rulings and court decisions, interest on the Bonds is excludable from gross income for Federal income tax purposes. Bond Counsel for the Bonds is also of the opinion that interest on the Bonds is not a specific item of tax preference under Section 57 of the Internal Revenue Code of 1986 (the "Code") for purposes of the Federal individual or corporate alternative minimum taxes. Furthermore, Bond Counsel for the Bonds is of the opinion that interest on the Bonds is exempt from taxation, including personal income taxation, by the Commonwealth of Kentucky and its political subdivisions.

A copy of the opinion of Bond Counsel for the Bonds is set forth in Appendix E, attached hereto.

The Code imposes various restrictions, conditions, and requirements relating to the exclusion from gross income for Federal income tax purposes of interest on obligations such as the Bonds. The Issuer has covenanted to comply with certain restrictions designed to ensure that interest on the related issues of Bonds will not be includable in gross income for Federal income tax purposes. Failure to comply with these covenants could result in interest on the Bonds being includable in income for Federal income tax purposes and such inclusion could be required retroactively to the date of issuance of the Bonds. The opinion of Bond Counsel assumes compliance with these covenants. However, Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken) or events occurring (or not occurring) after the date of issuance of the Bonds may adversely affect the tax status of the interest on the Bonds.

Certain requirements and procedures contained or referred to in the Bond documents and other relevant documents may be changed and certain actions (including, without limitation, defeasance of the Bonds) may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents. Bond Counsel expresses no opinion as to any Bonds or the interest thereon if any such change occurs or action is taken or omitted upon the advice or approval of bond counsel other than Peck, Shaffer & Williams LLP.

Although Bond Counsel for the Bonds is of the opinion that interest on the Bonds will be excludable from gross income for Federal and Kentucky income tax purposes, the ownership or disposition of, or the accrual or receipt of interest on, the Bonds may otherwise affect a Bondholder's Federal, state or local tax liabilities. The nature and extent of these other tax consequences may depend upon the particular tax status of the Bondholder or the Bondholder's other items of income or deduction. Bond Counsel expresses no opinions regarding any tax consequences other than what is set forth in its opinion and each Bondholder or potential Bondholder is urged to consult with tax counsel with respect to the effects of purchasing, holding or disposing the Bonds on the tax liabilities of the individual or entity.

For example, although Bond Counsel for the Bonds is of the opinion that interest on the Bonds will not be a specific item of tax preference for the alternative minimum tax, corporations are required to include all tax-exempt interest in determining "adjusted current earnings" under Section 56(c) of the Code, which may increase the amount of any alternative minimum tax owed. Receipt of tax-exempt interest, ownership or disposition of the Bonds may result in other collateral Federal, state or local tax consequence for certain taxpayers, including, without limitation, increasing the federal tax liability of certain foreign corporations subject to the branch profits tax imposed by Section 884 of the Code, increasing the federal tax liability of certain insurance companies under Section 832 of the Code, increasing the federal tax liability and affecting the status of certain S Corporations subject to Sections 1362 and 1375 of the Code, increasing the federal tax liability of certain individual recipients of Social Security or Railroad Retirement benefits under Section 86 of the Code and limiting the use of the Earned Income Credit under Section 32 of the Code that might otherwise be available. Ownership of any Bonds may also result in the limitation of interest and certain other deductions for financial institutions and certain other taxpayers, pursuant to Section 265 of the Code. Finally, residence of the holder of Bonds in a state other than Kentucky or being subject to tax in a state other than Kentucky, may result in income or other tax liabilities being imposed by such states or their political subdivisions based on the interest or other income from the Bonds.

The City has **NOT** designated the Bonds as "qualified tax-exempt obligations" within the meaning of Section 265 of the Code.

Original Issue Premium

"Acquisition Premium" is the excess of the cost of a bond over the stated redemption price of such bond at maturity or, for bonds that have one or more earlier call dates, the amount payable at the next earliest call date. The Bonds that bear an interest rate that is higher than the yield (as shown on the cover page hereof), are being initially offered and sold to the public at an Acquisition Premium (the "Premium Bonds"). For federal income tax purposes, the amount of Acquisition Premium on each bond the interest on which is excludable from gross income for federal income tax purposes ("tax-exempt bonds") must be amortized and will reduce the bondholder's adjusted basis in that bond. However, no amount of amortized Acquisition Premium on tax-exempt bonds may be deducted in determining bondholder's taxable income for federal income tax purposes. The amount of any Acquisition Premium paid on the Premium Bonds, or on any of the Bonds, that must be amortized during any period will be based on the "constant yield" method, using the original bondholder's basis in such bonds and compounding semiannually. This amount is amortized ratably over that semiannual period on a daily basis.

Holders of any Bonds, including any Premium Bonds, purchased at an Acquisition Premium should consult their own tax advisors as to the actual effect of such Acquisition Premium with respect to their own tax situation and as to the treatment of Acquisition Premium for state tax purposes.

Original Issue Discount

The Bonds having a yield that is higher than the interest rate (as shown on the cover page hereof) are being offered and sold to the public at an original issue discount ("OID") from the amounts payable at maturity thereon (the "Discount Bonds"). OID is the excess of the stated redemption price of a bond at maturity (the face amount) over the "issue price" of such bond. The issue price is the initial offering price to the public (other than to bond houses, brokers or similar persons acting in the capacity of underwriters or wholesalers) at which a substantial amount of bonds of the same maturity are sold pursuant to that initial offering. For federal income tax purposes, OID on each bond will accrue over the term of the bond, and for the Discount Bonds, the amount of accretion will be based on a single rate of interest, compounded semiannually (the "yield to maturity"). The amount of OID that accrues during each semi-annual period will do so ratably over that period on a daily basis. With respect to an initial purchaser of a Discount Bond at its issue price, the portion of OID that accrues during the period that such purchaser owns the Discount Bond is added to such purchaser's tax basis for purposes of determining gain or loss at the maturity, redemption, sale or other disposition of that Discount Bond and thus, in practical effect, is treated as stated interest, which is excludable from gross income for federal income tax purposes.

Holders of Discount Bonds should consult their own tax advisors as to the treatment of OID and the tax consequences of the purchase of such Discount Bonds other than at the issue price during the initial public offering and as to the treatment of OID for state tax purposes.

RATING

As noted on the cover page of this Official Statement, Moody's Investor's Service ("Moody's") has assigned its municipal bond rating of "Aa3", to this issue of Bonds.

Such rating reflects only the view of said organization. Any explanation of the significance of such rating may only be obtained from Moody's, at the following address: Moody's Investors Service, 7 World Trade Center at 250 Greenwich Street, New York, New York 10007.

There can be no assurance that a rating when assigned will continue for any given period of time or that it will not be lowered or withdrawn entirely by the rating agency if in its judgment circumstances so warrant. Any such downward change in or withdrawal of a rating may have an adverse effect on the marketability and/or market price of the Bonds.

The City presently expects to furnish such rating agency with information and material that it may request on future general obligation bond issues. However, the City assumes no obligation to furnish requested information and materials, and may issue debt for which a rating is not requested. Failure to furnish requested information and materials, or the issuance of debt for which a rating is not requested, may result in the suspension or withdrawal of the rating agency's ratings on outstanding general obligation bonds.

CONTINUING DISCLOSURE

In accordance with the Securities and Exchange Commission Rule 15c2-12 (the "Rule") and so long as the Bonds are outstanding the City (the "Obligated Person") will agree pursuant to a Continuing Disclosure Undertaking dated as of May 1, 2011 (the "Disclosure Undertaking"), to be delivered on the date of delivery of the Bonds, to cause the following information to be provided:

- (ii) to the MSRB, in a timely manner, not in excess of ten business days after the occurrence of the event, notice of the occurrence of the following events with respect to the Bonds:

 - (c) Unscheduled draws on debt service reserves reflecting financial difficulties;
 - (d) Unscheduled draws on credit enhancements reflecting financial difficulties;
 - (e) Substitution of credit or liquidity providers, or their failure to perform;

law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the obligated person, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the obligated person);

- (iii) in a timely manner to the MSRB, notice of a failure (of which the Obligated Persons have knowledge) of an Obligated Person to provide the required Annual Financial Information on or before the date specified in the Disclosure Undertaking.

The Disclosure Undertaking provides bondholders, including beneficial owners of the Bonds, with certain enforcement rights in the event of a failure by the Obligated Person to comply with the terms thereof; however, a default under the Disclosure Undertaking does not constitute an event of default under the Ordinance. The Disclosure Undertaking may also be amended or terminated under certain circumstances in accordance with the Rule as more fully described therein.

For purposes of this transaction with respect to material events as defined under the Rule:

- (a) there are no debt service reserve funds applicable to the Bonds;
- (b) there are no credit enhancements applicable to the Bonds;
- (b) there are no liquidity providers applicable to the Bonds; and
- (c) there is no property securing the Bonds.

The City has entered into previous disclosure undertakings under the Rule. To the best of the City's knowledge, the City is currently in compliance with its continuing disclosure undertakings.

UNDERWRITING

The Bonds are being purchased for reoffering by _____ (the "Underwriter"). The Underwriter has agreed to purchase the Bonds at an aggregate purchase price of \$_____ (reflecting the par amount of the Bonds, less underwriter's discount of \$_____). The initial public offering prices which produce the yields set forth on the cover page of this Official Statement may be changed by the Underwriter and the Underwriter may offer and sell the Bonds to certain dealers (including dealers depositing Bonds into investment trusts) and others at prices lower than the offering prices which produce the yields set forth on the cover page.

FINANCIAL ADVISOR

The Bonds will be sold by the solicitation and receipt of competitive bids. First Kentucky Securities Corporation, Frankfort, Kentucky, Financial Advisor to the City, has requested and received permission and approval of the City to bid, either alone or in conjunction with others, on the Bonds. The Financial Advisor has expressed its intent to so bid.

First Kentucky Securities Corporation will receive a fee, subject to sale and delivery of the Bonds, for its advisory services. Said fee is separate from and in addition to compensation received, if any, for underwriting of the Bonds.

APPENDIX A

City of Owensboro Demographic, Economic and Financial Data

General Information

Owensboro, originally known as "Yellowbanks" in reference to the color of the soil along the Ohio River banks, was first settled in 1797. By 1810, David Morton had opened a general store and population of the settlement grew to 100 by 1815. An 1817 Act of the Kentucky Legislature incorporated the town as "Owensborough", later shortened to "Owensboro". The Owensboro area has grown steadily, while retaining the "small town quality" of a friendly city of warm-hearted and hospitable people. Owensboro ranks as Kentucky's third largest city in terms of population and is the industrial and cultural capital of western Kentucky.

Location

Owensboro is the county seat of Daviess County, Kentucky, and lies on the southern banks of the Ohio River, one of the nation's major waterways, in the western Kentucky coal field region. Owensboro is located 32 miles southeast of Evansville, Indiana, 123 miles north of Nashville, Tennessee, and 109 miles southwest of Louisville, Kentucky. The William H. Natcher Bridge, a long awaited new bridge from Owensboro into southern Indiana, provides a direct route to Interstate 64 in Indiana, providing a link from St. Louis to Louisville. The Natcher Bridge opened in October of 2002.

Owensboro is known as "a city of festivals". Each year, the world-famous International Bar-B-Q Festival and the Summer Festival draw thousands of spectators and participants from across the country and around the world.

Owensboro enjoys the luxury of a diverse economic base. As an example, more than 47,000 people earn their living in Daviess County, but the county's 10 largest private companies are responsible for less than 15% of the total employment.

Work has begun on a new four-lane bridge from Owensboro across the Ohio River into southern Indiana. The new span will cost more than \$100 million and be a direct route to I-64 in Indiana, which provides a link from St. Louis to Louisville.

Owensboro-Daviess County is fortunate to own over 500 acres that are available as industrial sites. The acres are located in diversified areas to suit many needs. The MidAmerica Airpark is a 450-acre industrial park adjacent to the Owensboro-Daviess County Regional Airport. Pleasant Valley Industrial Center, a 145-acre site, is located on the east side of Owensboro. The Owensboro Riverport Authority has 65 acres available, and offers access to both rail and the Ohio River.

Industry and Economic Development

The Owensboro area has emerged as an industrial hub of western Kentucky, attracting major manufacturing and processors in aluminum, distilling, coal mining, steel and natural gas transmission corporations. Locally produced commodities include electrical products, chewing tobacco, paper products, tubes, office furniture, wire, plastic, small electric motors, spaghetti sauce, truck frames, and many others.

The City is active in promoting economic development, as new developmental job growth is necessary to ensure the continued stability of the City's revenue base. Economic indicators and trends reflect stabilization in the area's economy compared to the previous year. A regional workforce of more than 275,000 employees provides companies a choice of skilled and available labor with a recognized work ethic. Owensboro offers nationally recognized workforce development initiatives and programs that address a complete range of employer needs, from manufacturing to technology-based.

An aggressive annexation policy is being pursued to insure continued growth and development for the City of Owensboro. Much of the City's long-term growth potential lies in the Carter Road/Airport Corridor, anchored by the 400-acre Mid-America Airpark. The City of Owensboro has coordinated with Industry, Inc., to complete Mid-America AirPark, which includes AirPark, Tamarack, and Unifirst Drives. The Mid-America AirPark is a valuable tool for attracting new industry to Owensboro. The Owensboro-Daviess County Regional Airport recently completed a \$40 million expansion. The overall outlook for the area's economy continues to remain bright.

Gentlemen:

We have examined the transcript submitted relating to the issue of \$_____ General Obligation Public Project Bonds, Series 2011 (the "Bonds") of the City of Owensboro, Kentucky (the "Issuer"), dated May __, 2011, numbered R-1 upward and of the denomination of \$5,000 and any integral multiple thereof. The Bonds mature, bear interest, and are subject to mandatory and optional redemption upon the terms set forth therein. We have also examined a specimen Bond.

Based on this examination, we are of the opinion, based upon laws, regulations, rulings and decisions in effect on the date hereof, that:

1. The Bonds constitute valid obligations of the Issuer in accordance with their terms, which, unless paid from other sources, are payable from taxes to be levied by the Issuer without limitation as to rate.

2. Under the laws, regulations, rulings and judicial decisions in effect as of the date hereof, interest on the Bonds is excludible from gross income for Federal income tax purposes, pursuant to the Internal Revenue Code of 1986, as amended (the "Code"). Furthermore, interest on the Bonds will not be treated as a specific item of tax preference under Section 57(a)(5) of the Code in computing the alternative minimum tax for individuals and corporations. In rendering the opinions in this paragraph, we have assumed continuing compliance with certain covenants designed to meet the requirements of Section 103 of the Code. We express no other opinion as to the federal or state tax consequences of purchasing, holding or disposing of the Bonds.

3. The interest on the Bonds is not subject to taxation by the Commonwealth of Kentucky, and the Bonds are not subject to ad valorem taxation by the Commonwealth of Kentucky or by any political subdivision thereof.

In giving this opinion, we have relied upon covenants and certifications of facts, estimates and expectations made by officials of the Issuer and others contained in the transcript; which we have not independently verified. It is to be understood that the enforceability of the Bonds may be subject to bankruptcy, insolvency, reorganization, moratorium and other laws in effect from time to time affecting creditors' rights, and to the exercise of judicial discretion.

Very truly yours,

The good-faith amount will be applied (without interest) to the purchase price upon delivery of the Bonds. The successful bidder shall not be required to take delivery and pay for the Bonds unless delivery is made within 45 days from the date the bid is accepted.
- (I) Unless the successful purchaser notifies the City in writing within twenty-four hours of the award of the Bonds that it has elected (at such purchaser's expense) to take physical delivery of the Bonds, The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Bonds. If issued in the book-entry only system, they will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully-registered Bond certificate will be issued for each maturity of the Bonds of each series, each in the aggregate principal amount of such maturity, and will be deposited with DTC. Purchases of the Bonds under the DTC system must be made by or through securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations (the "Direct Participants"), which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond (a "Beneficial Owner") is in turn to be recorded on the records of Direct Participants or securities brokers and dealers, banks, and trust companies that clear through or maintain a custodial relationship with a Direct Participant (the "Indirect Participants"). Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.
- (J) The City reserves the right to reject any and all bids or to waive any informality in any bid. The Bonds are offered for sale subject to the principal and interest not being subject to Federal or Kentucky income taxation or Kentucky ad valorem taxation on the date of their delivery to the successful bidder, in accordance with the final approving legal opinion of Peck, Shaffer & Williams LLP, Covington, Kentucky, which opinion will be qualified in accordance with the section hereof on TAX TREATMENT.

- (K) Bidders are advised that First Kentucky Securities Corporation has been employed as Financial Advisor in connection with the issuance of the Bonds. Their fee for services rendered with respect to the sale of the Bonds is contingent upon the issuance and delivery thereof. They may submit a bid for the purchase of the Bonds at the time of the advertised public sale, either individually or as a member of a syndicate organized to submit a bid for the purchase of the Bonds.
- (L) As required by the Code, the purchasers of the Bonds will be required to certify to the City as to certain of their activities regarding any reoffering to the public of the Bonds, including any reoffering prices. This information from the purchasers of the Bonds shall also be made available to the Financial Advisor immediately after the sale of the Bonds.
- (M) At the election and cost of the purchaser of the Bonds, one or more maturities of the Bonds may be insured under a municipal bond insurance policy. In such event, the City agrees to cooperate with the purchaser to qualify the Bonds for bond insurance; however the City will not assume any of the expenses incident to the issuance of such a bond insurance policy, other than the costs for securing a rating of the Bonds from Moody's Investors Service, Inc.

CONTINUING DISCLOSURE

In accordance with the Securities and Exchange Commission Rule 15c2-12 (the "Rule") and so long as the Bonds are outstanding the City (the "Obligated Person") will agree pursuant to a Continuing Disclosure Undertaking dated as of April 1, 2010 (the "Disclosure Undertaking"), to be delivered on the date of delivery of the Bonds, to cause the following information to be provided:

- authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the obligated person);

- (iii) in a timely manner to the MSRB, notice of a failure (of which the Obligated Persons have knowledge) of an Obligated Person to provide the required Annual Financial Information on or before the date specified in the Disclosure Undertaking.

The Disclosure Undertaking provides bondholders, including beneficial owners of the Bonds, with certain enforcement rights in the event of a failure by the Obligated Person to comply with the terms thereof; however, a default under the Disclosure Undertaking does not constitute an event of default under the Ordinance. The Disclosure Undertaking may also be amended or terminated under certain circumstances in accordance with the Rule as more fully described therein.

For purposes of this transaction with respect to material events as defined under the Rule:

- (a) there are no debt service reserve funds applicable to the Bonds;

The City has entered into previous disclosure undertakings under the Rule. To the best of the City's knowledge, the City is currently in compliance with its continuing disclosure undertakings.

TAX TREATMENT

In the opinion of Bond Counsel for the Bonds, based upon an analysis of existing laws, regulations, rulings and court decisions, interest on the Bonds is excludable from gross income for Federal income tax purposes. Bond Counsel for the Bonds is also of the opinion that interest on the Bonds is not a specific item of tax preference under Section 57 of the Internal Revenue Code of 1986 (the "Code") for purposes of the Federal individual or corporate alternative minimum taxes. Furthermore, Bond Counsel for the Bonds is of the opinion that interest on the Bonds is exempt from income taxation and the Bonds are exempt from ad valorem taxation by the Commonwealth of Kentucky and any of its political subdivisions.

The Code imposes various restrictions, conditions, and requirements relating to the exclusion from gross income for Federal income tax purposes of interest on obligations such as the Bonds. The City has covenanted to comply with certain restrictions designed to ensure that interest on the related issues of Bonds will not be includable in gross income for Federal income tax purposes. Failure to comply with these covenants could result in interest on the Bonds being includable in income for Federal income tax purposes and such inclusion could be required retroactively to the date of issuance of the Bonds. The opinion of Bond Counsel assumes compliance with these covenants. However, Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken) or events occurring (or not occurring) after the date of issuance of the Bonds may adversely affect the tax status of the interest on the Bonds.

Certain requirements and procedures contained or referred to in the Bond documents and other relevant documents may be changed and certain actions (including, without limitation, defeasance of the Bonds) may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents. Bond Counsel expresses no opinion as to any Bonds or the interest thereon if any such change occurs or action is taken or omitted upon the advice or approval of bond counsel other than Peck, Shaffer & Williams LLP.

Although Bond Counsel for the Bonds is of the opinion that interest on the Bonds will be excludable from gross income for Federal and Kentucky income tax purposes, the ownership or disposition of, or the accrual or receipt of

interest on, the Bonds may otherwise affect a Bondholder's Federal, state or local tax liabilities. The nature and extent of these other tax consequences may depend upon the particular tax status of the Bondholder or the Bondholder's other items of income or deduction. Bond Counsel expresses no opinions regarding any tax consequences other than what is set forth in its opinion and each Bondholder or potential Bondholder is urged to consult with tax counsel with respect to the effects of purchasing, holding or disposing the Bonds on the tax liabilities of the individual or entity.

For example, although Bond Counsel for the Bonds is of the opinion that interest on the Bonds will not be a specific item of tax preference for the alternative minimum tax, corporations are required to include all tax-exempt interest in determining "adjusted current earnings" under Section 56(c) of the Code, which may increase the amount of any alternative minimum tax owed. Receipt of tax-exempt interest, ownership or disposition of the Bonds may result in other collateral Federal, state or local tax consequence for certain taxpayers, including, without limitation, increasing the federal tax liability of certain foreign corporations subject to the branch profits tax imposed by Section 884 of the Code, increasing the federal tax liability of certain insurance companies under Section 832 of the Code, increasing the federal tax liability and affecting the status of certain S Corporations subject to Sections 1362 and 1375 of the Code, increasing the federal tax liability of certain individual recipients of Social Security or Railroad Retirement benefits under Section 86 of the Code and limiting the use of the Earned Income Credit under Section 32 of the Code that might otherwise be available. Ownership of any Bonds may also result in the limitation of interest and certain other deductions for financial institutions and certain other taxpayers, pursuant to Section 265 of the Code. Finally, residence of the holder of Bonds in a state other than Kentucky or being subject to tax in a state other than Kentucky, may result in income or other tax liabilities being imposed by such states or their political subdivisions based on the interest or other income from the Bonds.

The City has not designated the Bonds as "qualified tax-exempt obligations" within the meaning of Section 265 of the Code.
